One of the best parts of parenting is having fun with your kids.

Most of the time, it’s easy, but sometimes it’s not. Unleash your “inner child” with these playful ideas to help encourage confidence, support emotional-intelligence and grow connections.

After all, “creativity is the greatest gift of human intelligence” (Robinson, 2011)

Play creates that magical bond in and around your home – it is not about spending money but spending quality time.
