19th February 2015

Dear Parents,

We would like to continue to implement our very successful sport program based on skill development in Term 2. This will involve all students in years 4-6 participating in a sport of their choice each Tuesday afternoon from 1.30pm – 2.40pm. The program would run from week 4 to week 8 (12 May to 9 June 2015).

The aim of this program is to promote skill development, fitness and teamwork. For this to be implemented, we require 1-2 parents to help coach or supervise each sport with a teacher. Some sports will be conducted at Kitchener Park, therefore we also require parents to walk with our students and teachers, leaving school at 1.15pm and returning at 2.40pm.

We are hoping to offer a diverse range of sporting options. Sports may include soccer, touch football, rugby league, netball, tennis, gymnastics and dance. Stephanie Munro has kindly volunteered to coordinate these sessions and requires your support. Unfortunately the program cannot go ahead without parent helpers.

If you are able to coach or supervise a group, please fill out the form below and return to school by Monday, 2nd March 2015.

Once we have decided on sporting options, a permission note will be sent home and the children will be able to select a sport they are interested in.

Yours sincerely,

Jayne Wheen
Assistant Principal

☐ I am able to supervise

☐ I am able to coach ......................................................... (sport)

☐ I am an accredited coach in ........................................ (not a requirement)
