A very big thank you to our class mums who have performed the valuable service of welcoming and social networking to enable everyone to feel part of the community. If you are interested in the position for next year, please contact the office.

The P&F would like to invite all parents to join us for a **Thank You morning tea – this Friday** in the library following morning assembly. Further details are in the P&F section of this newsletter.
Farewell from Mrs Caldwell

This week will be my last week at Sacred Heart after eight years. I would like to take the opportunity to say farewell and thank you to the community for all that you have given me.

What I learnt from Sacred Heart:

**I learnt about living:** I thank the Sacred Heart Community for teaching me about really working in and being part of a community. From the rich presence of a wonderful parish led by Father George to the caring families who support each other in the good times and the bad, I have learnt from people who just get in there and do so much, especially behind the scenes. Thank you to the P and F who have so positively supported the school during the last eight years.

**I learnt about loving:** I thank Sacred Heart for the opportunity to be part of a loving community: a community where the members show deep compassion for each other. I have learnt the value of really listening to one another, sharing dreams and plans together, for daring to dream of a future where we can work together for the good of the precious children in our care. I thank the many families who have extended a hand of friendship as well as collegiality in our shared roles. I thank the staff for their laughter, their love for one another and their care and consideration of your children. I thank the students for their open friendliness and their love of life and learning.

**I learnt about learning:** I thank the staff particularly for their love of learning and their willingness to always do more to benefit their students. I learnt to lead from those who were happy to move above and beyond, always seeking new ways to challenge themselves and their students. I thank the students for their joy in learning and their enthusiasm for life.

If I have made any mistakes over the last eight years please forgive me, for my successes please thank the people who supported me in always working to improve Sacred Heart to benefit the community it serves.

Farewell!
Regards

Julie Caldwell

**Prayer for Advent**
Loving and powerful God,  
Some days I can only be in awe of your power and love. You never tire of supporting me. I constantly ask for help knowing you will always be there.  
From some place deep in my soul, I hear you calling me by name and I prepare with a joyful heart for your coming. Grant me the gift of hope, patience and waiting in these Advent days because I want the focus of my waiting to be on you. I want to praise and glorify you with my life. Let me live my gratitude to you, rejoicing!  
Amen.

Tips for new Year 7’s
My older daughter started year 7 last year and we have been given some practical tips over the year that have helped us a lot.

- Buy lots of coloured folders for exercise books, text books, revision notes, tests, assignments etc. My daughter has one folder per subject and keeps in it everything to do with that subject - easy then to take in and out of her school bag and locker. Less goes missing...
- Have a spare copy of their timetable at home in case their copy gets left at school.
- Make a calendar of assignments and ask regularly (I ask daily!) what assignments and homework they have. Put a copy in the kitchen and on their wall. As soon as they get an assignment encourage and help them to plan the different stages (research, first draft, bibliography etc). They can plan what they need to do and on what day they will do it. The marking criteria are very helpful for the structure of what needs to be done.
- Consider setting specific times in the week to get assignments done – eg 4.30 to 6.30pm on Mondays and Tuesdays, Sunday mornings. They can work for 45/50 mins then have a 10 min break then back to it.
- They need about 9 ¼ hours sleep.
- Don’t let them have iPhones etc in their bedroom at night – too tempting.
- Be prepared for a few trips to school for things they have forgotten!

Still talk to them about what they are learning in class – get them to show you their class books, read a book they are reading – start a conversation with your child about their learning...

KidsMatter for Parents
Whilst this time of year is busy with gatherings and anticipation of the Christmas holidays, when we stop and think, it is a time of much change and transition - sometimes welcomed and other times not. We all manage change or transition differently and we will all react differently. There are simple things we can do to help children manage as described by Jill Savage, author of several parenting books:

1. Be prepared to answer their myriad of questions
2. Give them warnings
3. Stick to routines as much as possible
4. Let them grieve and acknowledge their feelings
5. Be prepared to weather the change

Take a look at the article below for further information or ideas from Michael Grose's ideas for coping.

P&F News

Have you assisted with school excursions, Kids Matter, PBL, Library or reading with the children? Have you been a volunteer with the school in any way this year? We are well aware that many of you have. The P&F will be holding a Thank You morning tea in the school Library in your honour. The volunteers of any school community help bring the school together, it is one of the ways parents engage with the teachers and children. Many of you work, have other children to look after and lead busy lives yet you have given us some of that time, to you all we say thank you.

Come and join us for the Thank You morning tea – this Friday, 12 December in the library following morning assembly.

**Volunteering at school** – with the introduction of new working with children rules last year, we had requested all parents who volunteer in the school complete a new Declaration for Volunteers. The office holds 136 current Declarations.

**In 2015 parents will not be able to volunteer at school without a current Declaration.** This will include canteen, excursions, library, sport days, incursions and helping in classrooms. If you are unsure whether you have a current Declaration on file at school, please telephone the school office. You can download a Parent Volunteer Declaration Form from our school website [here](#).

**Medication held in sick bay** - we ask parents to take responsibility for noting expiry dates of medications supplied to the school. Please ensure your child’s medication is in original packaging and labelled with student’s name and dosage. If you do not have a record of the expiry date on your child’s medication, please telephone the school office.

Some of the dates for the beginning of 2015, staff development days, sacramental days and holidays are up on our school website. Please take these into consideration when booking holidays, particularly the assessment days at the beginning of term 1, 2015. **All children must attend a compulsory assessment appointment on one of the assigned days.**

Pittwater Council Notice – New Parking Restrictions

CHANGES TO PARKING - TERM ONE, 2015
WARATAH STREET AND KEENAN STREET
Mona Vale Public School and
Sacred Heart Catholic Primary School

Pittwater Council is working with Mona Vale Public School and Sacred Heart Catholic Primary School to implement changes to the current parking arrangements on Waratah Street and Keenan Street. These changes will assist with traffic flow and will allow for a higher turnover of vehicles during the peak AM and PM periods.

Families from both schools are being asked to use the "NO PARKING - STOP, KISS AND LEAVE" zones on the side of the road where your child’s school is located. If this is not possible, then your child must use the supervised pedestrian crossings on Keenan Street and Waratah Street to reach their school.

Parents must not risk their child’s safety by allowing them to cross Waratah Street or Keenan Street to reach their school at any other location other than the supervised pedestrian crossings. Drivers can use the roundabouts on Waratah Street to circulate through the school zone.

WHAT IS CHANGING?
1. The current P2 and P5 "Stop, Kiss and Leave" zones on Waratah Street (both sides) and Keenan Street are being removed and replaced with "NO PARKING 8AM-9:30AM - 2:30PM-4PM, SCHOOL DAYS ONLY".
2. The Waratah Street "NO PARKING ZONE" on the Mona Vale Public School side of the road will be extended for the AM drop-off period. This will allow for an additional three cars to use this space between 8am-9.30am, school days only and will remove the current unrestricted parking during the peak AM period, which is in place until 2.45pm.
3. The existing AM and AM/PM school bus zones on Waratah Street will be swapping locations. The existing unrestricted parking in place until 2:30pm will be removed and replaced with "NO PARKING 8AM-9:30AM, SCHOOL DAYS ONLY". This will allow for an additional three cars to use this space for the morning drop-off.
4. The existing 1P parking will be removed on Keenan Street (Woolworths side) and replaced with a PS "STOP, KISS AND LEAVE" zone between 8-9:30am - 2:30-4pm, school days only. You can only park here for a maximum of 5 minutes.

HOW DO WE USE THE "NO PARKING" ZONE?
- The driver must remain within 3 metres of the vehicle.
- Drivers are only permitted to stop here for 2 minutes to drop off and pick up passengers.
- "NO PARKING" will be in place between 8am-9.30am and 2:30pm-4pm, school days only. Outside of these times unrestricted parking will apply.
- School zone parking offence - Rule 168 (1) - $173 fine and 2 demerit points.
- In the afternoons, arrive after the bell has gone and allow time for your child to reach the "NO PARKING" zone. If your child is not waiting to be collected, do not stop - please continue to circulate through the roundabouts and approach the "NO PARKING" zone again.
- If you need to walk your child into school, then you must park elsewhere, such as the Keenan Street P5 Zone, Woolworths carpark or the Bungan Lane carpark (opening late 2014).

"NO PARKING" zones provide a safe place for children to be dropped off and picked up and allow for a high turnover of vehicles. It works, if everyone follows the rules and does the right thing.
