Dear Parents

This week the Holy See announced that Most Rev Dr Peter A Comensoli DD, STL, MLitt, PhD, until now Auxiliary Bishop for the Archdiocese of Sydney, has been appointed the third Bishop of the Diocese of Broken Bay. Bishop Peter was delighted but humbled to be asked by the Holy Father, Pope Francis, to take up this new pastoral service within the life of the Church.

He said he was looking forward to making his home in Broken Bay Diocese, and working with all the priests, religious and people of the Diocese in proclaiming the good news of Jesus Christ.

“A diocese is like a great family united in the love of Christ, and I am keen to make my home with the good people of Broken Bay Diocese,” the 50-year old Bishop said, following the announcement. “I want to assure all the families of the Diocese – at home and in our parishes – that you are already in my daily prayers, and I unite myself to you in your joys and hopes, your griefs and anxieties.” Bishop Peter will be installed as the third Bishop of the Diocese of Broken Bay on 12 December, the feast of Our Lady of Guadalupe, under whose loving protection, Bishop Peter has placed his ministry. Bishop Peter says hello to you at https://www.youtube.com/watch?v=wph2DHf7X20&feature=youtu.be&a

Reports and classes will be finalised over the next few weeks. I thank the teachers for their hard work in teaching, assessing and reflecting on your child’s behaviour. I have had many requests for class placements. Some will be possible and I am sure you realise how difficult this task is. Please prepare your child for change by talking about the positive aspects of making new friends and meeting new challenges.

Our movie night will go ahead rain, hail or shine. We hope you can join us. Our band and choir will perform from 6.30pm.

Congratulations to our Year Six debating team who won the Peninsula Grand Final in debating last week. They tackled a very difficult topic head on and won. Congratulations to Lachlan K, Mia V H, Abbey R and Martin S. Thank you to our Year 5 team who supported and learnt the skills of debating.
Please be aware parents that some students are showing internet links outside of school to inappropriate content on You Tube, which links children’s films to ideas about suicide and other inappropriate subjects. Please have a discussion with your children about what they are viewing on the internet.

Congratulations to our Chess team who came third in the local tournament last week. They will move onto the finals in a few weeks time. James C, Patrick M and Tom B are members of the team. A big thankyou to the student leaders who initiated a chess program that introduced chess to younger children in the weeks leading up to the tournament.

The P&F would like to invite all parents to join us for a Thank You morning tea – 12 December in the library following morning assembly. Further details are in the P&F section of this newsletter.

Please keep in your prayers young cricketer Phil Hughes who was critically injured yesterday. Phil was a Catholic school student who represented Polding in 2000, leading them to victory in the NSW PSSA carnival that year at Mark Taylor Oval, Waitara.

Kindergarten 2015 will have a blessing at the parish mass on Saturday at 5pm. Mrs Suellen Garey will be there to receive a blessing as well with her new students.

Next Monday, 1 December at 2pm in the hall Years 3-6 will be present to hear Thomas Kuzna speak. Thomas has been invited to speak to students and any parents who wish to attend. Thomas has autism and currently works within Aspect. He will be addressing the students on his life journeys: about his time at school, when he was diagnosed with Autism and how he has coped having Autism within a mainstream setting and the real world. He is open to answer any questions you may have for him.

It is wonderful to see our ex-students working in the community. Please see Edwina Ovens’ ballet school flyer at the back of this newsletter.

Christmas Hampers
Thank you for your generous donations for our Christmas Hampers. The Mini Vinnies Team, along with Virpi Tuite and myself will be assembling them today.

Prayer for Advent
Father in heaven, our hearts desire the warmth of your love and our minds are searching for the light of your Word. Increase our longing for Christ our Saviour and give us the strength to grow in love, that the dawn of his coming may find us rejoicing in his presence and welcoming the light of his truth. We ask this in the name of Christ the Lord.
Amen.

The Caritas 2014 Advent calendar can be downloaded from their website [http://www.caritas.org.au/advent](http://www.caritas.org.au/advent) to prepare for Christmas. Advent begins on 30 November this year! This year the calendar uses the symbol of the Advent wreath. The Advent wreath is traditional centrepiece of the Christmas season with rich symbolic meaning around each candle, the circle of evergreen, the seedpods, nuts and cones, the laurel, pine, holly and fruits. Throughout Advent you will learn more about the symbolic meanings and build your own wreath, lighting the candles as you Learn, Pray and Act daily with and for Caritas Australia’s partners around the world. Caritas has multiple versions to suit your needs:
- An App for both iPhone/iPad devices as well as Android phone/tablet devices.
- A website version
- Primary School PowerPoint – includes the Advent wreath symbols that can be printed and used to create your own Advent wreath at home.

There is also a ‘how to’ guide on the website, including how to make your own Advent wreath, a traditional wreath blessing, and making it part of your daily Advent routine

Messages from the Office

Volunteering at school – with the introduction of new working with children rules last year, we had requested all parents who volunteer in the school complete a new Declaration for Volunteers. The office holds 136 current Declarations.

In 2015 parents will not be able to volunteer at school without a current Declaration. This will include canteen, excursions, library, sport days, incursions and helping in classrooms. If you are unsure whether you have a current Declaration on file at school, please telephone the school office. You can download a Parent Volunteer Declaration Form from our school website here.

Medication held in sick bay - we ask parents to take responsibility for noting expiry dates of medications supplied to the school. Please ensure your child’s medication is in original packaging and labelled with student’s name and dosage. If you do not have a record of the expiry date on your child’s medication, please telephone the school office.

Some of the dates for the beginning of 2015, staff development days, sacramental days and holidays are up on our school website. Please take these into consideration when booking holidays, particularly the assessment days at the beginning of term 1, 2015. All children must attend a compulsory assessment appointment on one of the assigned days.

School Buses – information on bus numbers and routes can be found on the Sydney Buses website here. Select Sacred Heart from the drop down menu and navigate.

Children who currently hold a bus pass for 2014 will automatically receive a new pass for 2015 EXCEPT CURRENT YEAR 2 STUDENTS. Year 2 students MUST RE-APPLY to receive a pass for 2015 (if he/she is eligible). If your child is eligible, you will have received an application form which must be returned to the school office no later than Monday, 1 December 2014 for processing.

School App – Download links and Tip Sheet

Tip Sheet for the app can be found here.

Family Registration Forms - If you have not returned your form (even if you are year 6 and leaving the school) would you please return your form as soon as possible.

Email - All correspondence from the school is now sent home via email. If you find you are no longer receiving our emails, your mailbox could be full.

New Privacy Laws – with the introduction of new privacy laws in Australia, the CSO has advised we are no longer allowed to provide parents with a “Class Contact List”, as we have done in the past (ie parents’ phone numbers).

Birthdays / Ice Blocks - we request ice blocks only be brought in on canteen days when we can store them in large freezers, ie Mon, Thurs and Fri. Ice blocks and cupcakes can only be brought to celebrate a birthday (no other purpose please).
Well Being Week – Term 4

Last week we looked after our mental health by enjoying:

Well-being Week

We hope that the homework-free week provided you some extra time to spend together with the people that you care about. The children enjoyed some fabulous activities in their classes to celebrate their YOUunique-ness and to recognise differences in others.

The children completed their Respectful Relationships Groups last week with some wonderful stories chosen by the Year 5 & 6 Leaders, followed by an enjoyable afternoon tea. The Year 6 Leaders, ably assisted by Year 5, showed excellent leadership qualities throughout the program and were very attentive to the needs of their group members. Year K-4 students also enjoyed the program, learning how to bounce back when things don’t go as expected – a very important skill to learn as children grow through the primary school years.

Here are some comments that children made about the program:

I understand that resilience is very powerful and easy to do. You can teach anyone about resilience. 
*Luke Yr 6*

I now understand that resilience is very important because if you don’t bounce back in tough times it may be harder to get over your problem. *Emma Yr 5*

I got to learn about resilience and that it is important to be resilient. I also got to learn about leading a group and being responsible. *Grace Yr 6*

I understand that you need to bounce back in difficult times and move on with a smile. *Alice 6W*

I enjoyed moving to different classrooms for the afternoon because I got to meet different people and I am now able to hi to them in the playground. *Julia Yr 5*

I enjoyed being a leader and being with younger kids. *Stephanie Yr 5*

I enjoyed the group when we played games and listed to books and watched videos. I especially liked the last group because we got to play Bullrush and eat food. *Ale Yr 5*

I got to meet some other younger children and learn how to be a better leader. *Kai Yr 6*

Thank you to the Year 5 and 6 Leaders for being so responsible and such wonderful role models and to Miss Perry and Mr Behan for organising this interesting and relevant program for the children.
Well Being Week – Term 4

Seeking resources for KidsMatter Parent Resource Library

Mrs Harrison has done a wonderful job in starting our KidsMatter Parent Resource Library with resources that support the mental health and well-being of our children and school community. **We are always looking for resources to add to the library.** The books and resources we include are those that address parental strategies or information in regards to the emotional, social and mental well-being of children (eg Raising Boys, Chicken Soup for the Soul etc). Mrs Harrison has also added some picture books that relate to social and emotional issues to our Parent Library. These can be a wonderful way to open up discussion between you and your child around sensitive issues. **Please come and visit the Parent Library and browse through our resources** – you may find something that is just what you were after!

Our collection is growing but we would love to add many more books if possible. If you have any such resources that you no longer use, we would love to have them for our library. Please bring the books to the library and see Mrs Harrison if you are able to contribute.

Keep Well!

**KMAT ACTION TEAM**

Cyber Safety

Earlier this term, Sacred Heart hosted a presentation at the school by “The Cybersafety Lady”, Leonie Smith that focussed on providing parents with practical information on Cybersafety.

The school has purchased the *Keeping Kids Safe Online* handbook written by Leonie that provides a step by step guide for safety and privacy settings on social media and computers. This book is available to borrow from the Parent Library if you are interested in creating a safer online environment for your children.

Parent to Parent - Diocesan Parent Council News

In last week’s newsletter we talked about focusing on strengths to build mental fitness. Building ‘strengths’ means...

- Focussing on the best parts of you
- Not worrying about your flaws and weaknesses
- Using your best qualities more often

A focus only on the parts of ourselves that we wish to improve can be uninspiring and frustrating. We all have strengths and the reason they are so important is that we are at our best and happiest when we are using the best parts of ourselves. When we talk “strengths” we are not talking about talents, like being a fast runner or a great guitar player. Talents are things you do, and are good at, but they are not part of your personality. If you didn’t have the chance to look at the link last week, we really encourage you before the end of term or over the holidays to check out [http://www.viacharacter.org/www/Character-Strengths/VIA-Classification#nav](http://www.viacharacter.org/www/Character-Strengths/VIA-Classification#nav) and use some of the suggestions in last week’s newsletter to explore the strengths in your family. Remember, concentrating on the good things about ourselves makes us feel good!

Start a conversation with your child about their learning...

Uniform Shop News

Our last day of uniform shop for the year will be **Monday 8 December**. We will then be closed for stocktake and will not re-open until Term 1, 2015.

*Veronika & Clare*
Have you assisted with school excursions, Kids Matter, PBL, Library or reading with the children? Have you been a volunteer with the school in any way this year? We are well aware that many of you have. The P&F will be holding a Thank You morning tea in the school Library in your honour. The volunteers of any school community help bring the school together, it is one of the ways parents engage with the teachers and children. Many of you work, have other children to look after and lead busy lives yet you have given us some of that time, to you all we say thank you.

Come and join us for the Thank You morning tea – 12 December in the library following morning assembly.

On another note this Friday is the screening of Despicable Me 2 (rated PG). This promises to be fun family night starting with a performance from the school band & choir. The only items available from the canteen on the night will be popcorn and gelato so please ensure you bring some nibbles and drinks and remember children must be supervised at all times as this is not a school event. The forecast is looking good and cinema under the stars is a wonderful way for families to get together and simply enjoy each other’s company.

We are looking forward to seeing you on Friday, and if you have not yet paid we will be accepting cash only on the night.

Lynette Suchanek - P&F Secretary (shpandf@gmail.com)

**DESPICABLE ME 2**

**RATED PG**

**Our preference is for picnic rugs, cushions or small bean bags so views are not obstructed.**

**There will be a “chair zone” at the back of oval if your preference is to sit in a BYO chair.**
