Dear Parents

Pope Francis Meets with 7,000 Children at Vatican
Vatican City State, May 11, 2015

Children had the chance of lifetime: to ask any questions they wanted to Pope Francis. An estimated 7,000 children gathered at the Paul VI Audience Hall. The Holy Father began by welcoming the children present; thanking them for the questions they sent previously.

A young girl named Chiara, who said that she argues a lot with her sister, asked the Pope if he ever argued with members of his family. The Holy Father said that it was a question that everyone present could relate with. While arguments always arise, he said, what is most important is that there is reconciliation.

"This is possible: do not let that arguments go over the next day. This is ugly! Do not end the day without making peace," he said.

"Even I have argued many times, even now...I get a little hot-headed, but I always look to make peace together. It is human to argue. The important thing is that it does not remain, that peace is done after. Understood?"

Several questions took a more serious turn, addressing issues such as war, forgiveness, youth imprisonment, and faith. Regarding a question made by a young Egyptian student who asked why people with power don’t do more to help schools in areas of conflict, the 78 year old Pontiff said that there is an even greater question: Why do so many powerful people not want peace?

"They live off of war! The arms industry: this is serious! The powerful, some powerful people, earn money by arms manufacturing, and sell arms to a country that is against this one, and then they sell it to those who are against that one...It is the industry of death!" he exclaimed.

When asked if someone can be forgiven for doing "horrible things", the Pope replied: "God forgives everything! Understood? It is we who do not know how to forgive."

**There is a wonderful expression “Catholics are not perfect, just forgiven!”**

The “Parents of Siblings for Kindergarten 2016” meeting was well attended in the Library on Tuesday evening. The question put to the parents was “Why are you enrolling your child in a Catholic school?” It is timely when enrolling a sibling to again rethink the choice of a Catholic education. What responsibility do you as parents have in the faith development of your child? Is sending them along each day enough? How can you contribute to the parish/school community?

Sip n Sip no 2 with the Principal is planned for this Friday 29th May. The focus of our second Sip n Sip will be Mathematics. Once again we will commence in the library with a cuppa and explanation of the Learning and Teaching School Improvement Plan. Parents will be taught how to play specific games and how to extend their child’s mathematical thinking, then parents will visit some classrooms to see the SIP in action.
Enrolments for kindergarten 2016 close at the end of May. Offers of places will be sent to parents in the week beginning 29th June, the first week of the holidays. Enclosed with the letter of offer will be the dates for the orientation program for children and parents. Orientation will commence in October 2015.

### Learning News - Literacy

Our recent focus in Literacy according to our School Improvement Plan has been in teaching strategies to improve students’ skills and techniques in writing. One strategy that helps students to improve their final writing product is editing, which involves proofreading written work with a critical eye.

To assist students in proofreading, a uniform Sacred Heart Editing Key has been developed to be used from Kindergarten to Year 6. Talk to your child about their use of the editing symbols at school and how they can use these to critique and improve their own writing.

Another strategy used in classes is to jointly create a Good Writers chart with the students. Year Two have been creating their Good Writers chart over this year, and continue to add qualities of good writers as they recognise them in their own and others’ writing. These are the qualities of good writers they have identified so far.

Religious Education News

In the spirit of Pope Francis’ joyful and action-oriented pastoral approach, here are two ways to live the Joy of the Gospel

- Increase the ‘joy’ level at home. Be quick to praise and slow to criticise. Choose to be enthusiastic when you least feel like it.
- Lighten up. Laugh a little more. Rejoice in the divine sense of humour.

Timor Leste Independence Day
Our celebrations last Friday were a great success. The Mini Vinnies Team did an amazing job of helping to set up in the library and running the stalls. We were privileged to meet Sr Lourdes and hear about the work she does in East Timor. The Timor Leste celebration on Friday raised $1,305.45. Sacred Heart P&F made a donation of $500 so the total figure banked today was $1,805.45. What a great result! Thank you to all our families for your generous support. This money to be used to provide better shelving for Tasi Fatin school and possibly some new books.

**School Reports**

**Reports will be emailed home on Friday 12 June 2015**

What do the grades in the report really mean?

I hope you find the following table explaining each grade helpful. These reports are a culmination of the hard work put in by students, teachers and parents during Semester 1. This week’s newsletter will outline how to log onto the Interview site and book a timeslot so you can discuss the results in greater detail at the Parent/Teacher Interviews in Week 9.

Well-Being Week

As you know, Kids Matter is all about looking after the mental health of our children and our school community. A big contributor to positive mental health is having time to connect with each other. Each term, we will hold a WELL-BEING WEEK at school to allow some time for us to connect with each other and enjoy each other’s company.

Next week, Week 7, will be WELL-BEING WEEK at Sacred Heart in Term2. This will be a week where students, families and staff all take a breather in our busy lives and be kind to ourselves and each other. It should be a time where all families make time for each other and reconnect. To help families do this, there will be NO HOMEWORK in Week 7 for any class. We hope that you will spend the extra time this frees up perhaps having a special dinner or picnic together, playing some family board games, going for a bike ride or walk together, or just sitting down together to have a chat. Well-Being week is also a perfect time for family prayer or going to Mass together.

The theme for Wellbeing Week this term is:

‘Celebrating Cultural Diversity’.

We have some fantastic activities planned at school for the children to celebrate Wellbeing Week and Cultural Diversity as follows:

**ALL WEEK** – No homework
**Friday – Monday** – On Friday (Week 6) Students will be given a flag/s to decorate over the weekend to represent the country or countries that their family comes from. Students are to bring the flag/s back on Monday to be displayed in their classroom for the week.
**WEDNESDAY** – Rainbow Colours – Mufti Day
Students are to wear mufti clothes in rainbow colours to celebrate cultural diversity.
**WEDNESDAY** – Shared Story and Friendship Lunch
Children will be grouped together into their Respectful Relationships Groups for 2015. They will eat lunch with their group and get to know their new friends. Children are to bring a picnic lunch with one small item to share (no nuts please). Healthy choices are MOST welcome! Children will meet up with their Respectful Relationships group in an allocated classroom where they will share a story before lunch that focuses on cultural diversity.
**DURING THE WEEK** – Free play activities – each class will enjoy a session of free play games and activities with their teacher.
**DURING THE WEEK** – Social and emotional learning in the classroom – teachers will focus on activities about accepting and celebrating differences in themselves and each other.
They will also be carrying out some mindfulness activities as a means to help the children:
- Clear their head
- Increases their self-awareness
- Slow down their thoughts
- Increase their concentration
- Relax
- Cope with stress

We have some fun activities planned for teachers too and encourage all teachers to also go home early next week and spend much needed quality time with their families.

We hope that Well-Being Week will provide us all with the opportunity to appreciate the important people in our lives and consider how important companionship, family and free time are in fostering good mental health.

Enjoy your week!

Fabulous West Head Adventure

On Friday the 8th of May year 3 went on an excursion. First we drove on a bus to West Head the bus driver was called Jon, he was very nice. When we got there, there was a lookout. We saw Emu Island and Lion Island, IT WAS AMAZING!

There was a guy named Mr Ella he was a very nice man. We were learning about what Aboriginals ate, where they lived, and where to keep warm. We went on this excursion because we are learning about a changing place. On this excursion we saw different kinds of plants that we haven’t seen before. We were walking on the Red Hand track, it was a bush walk we stepped on 550 steps it was crazy. Then when we finally got up there we saw a cave made out of rock, it was so big. Then we had recess and went to another place.

We went to the Engraving site, we had to walk through this bush. Then we learnt about lots of Engravings and how delicate it is. When we had lunch we saw this man under the umbrella drawing. We went over and looked at his art work. WOW!

All of year 3 went back onto the bus back to school and said bye to Jon and thank you for driving us to West Head. My favourite part of the excursion was looking at the cave and plants and all the other stuff that we looked at. I like how you can learn about lots of stuff and it was amazing to see and very interesting.

Walk of Joy Recount

Walk of Joy – “It was a very pretty walk (very muddy in places). We were blessed that the weather held off for us. We had a delicious breakfast at the parish centre when we completed the 8.3km walk. The beaches we walked along inspired myself and Andie H to paint a picture of the headland and the beach”.

The P&F meeting was held last Wednesday evening in the library. Exciting news was shared at this meeting with the announcement of our new name. Votes are in and our new name will be:

"The Sacred Heart Hub"

We launched our new name at the meeting and also discussed the 2015 Goals.

Our guest speaker, Carmel Hewitt from the DPC (presenting on ‘Ages & Stages’), gave a very informative talk and topics that were covered included: social and emotional stages of development, brain development and learning and how to develop your child’s social and emotional skills. We sincerely thank Carmel for her time.

"SIP n SIP" is on again this Friday after assembly in the Library: 9am-10am. Our Principal Mrs Garey will hold a talk on Mathematics - please come along and invite a friend.

Please return money from the chocolate drive to the office as soon as you can, thank you to all the families who have already sold a box!

Currently all tickets have been allocated for our “A Touch of Gold” dinner on Saturday 13 June 2015. Please ensure payment has been received into the school office to secure your booking.

**Payment must be received by Monday 1 June or we will start allocating those places to others on the wait list.**

Karen Locke has been doing a great job of organising this event and we really appreciate her time, energy and creativity! The club has set a limit on numbers and we are trying to do our very best to accommodate as many as we possibly can! Your understanding is appreciated in organising an event of this scale to make it as wonderful for you all as we can.

The class artworks are trickling in from the framers and some are currently on display in the Office. They look amazing! If you cannot make the night we will be happy to take Silent Bids or feel free to call a friend on the night to join in on the live bidding! It is sure to be a fantastic evening - with lots of fun and a Touch of Gold!!

**Save the date:** 17 October is the Official Celebration for Sacred Heart’s 50th Jubilee, there will be an outdoor mass and movie night. Watch this space as more details to come!!

Have a look at the fabulous artwork to be auctioned on the next few pages!

Kiss and Drop Procedures - Morning

- When you leave home ensure your children are in their seats with their bags with them. Please ensure bags are with the children in the car.
- Enter the Kiss and Ride from Waratah Street – left turn only. Vehicles making a right hand turn from Waratah Street are not permitted to join the queue.
- The school driveway cannot be used to do a U Turn.
- Remain in the queue and **keep children in the car** until your car reaches the footpath between the school driveway and the beginning of Kiss and Drop.
- Please don’t drop children off in Waratah Street or before the school driveway as it dangerous for the children to walk across a driveway that is in constant use by delivery vans and staff arriving at school at that time.
- When students exit the car **parents must remain in the driver’s seat**.
- **Students may only alight on the footpath side. Do not use Kiss and Drop if this is not possible.**
- Parents will be on duty to open car doors and help children move to the pedestrian gate.
- When leaving parents need to use their indicator and look for buses before pulling out into traffic.
- Drivers for the Satellite Class cannot enter the Kiss and Drop Zone until 8.40am when the Satellite teachers are in the seating area. Drivers cannot wait in the Kiss and Ride zone until teachers appear.
- Please be respectful of other drivers, staff and volunteers if you use this service.
