Dear Parents

On Friday we celebrate our school feast day, the Feast of the Sacred Heart of Jesus. All parents are welcome to come and celebrate at Mass commencing at 9.15am. We teach the children about the warm loving heart of Jesus and thus have invited families to reach out to others with a warm heart and donate a pair of lovely warm socks for winter to those in need.

“Sacred Heart of Jesus, I put my trust in You. By our lives, may the Heart of Jesus be known and loved. Amen.”

Today we welcomed teachers from Lismore:

1. St James’ Primary, Banora Point
2. St Patrick’s Primary, Macksville
3. St James’ Primary, Yamba
4. St Mary’s Primary, Grafton
5. Mount St Patrick’s Primary, Murwillumbah
6. St Peter’s Primary, Port Macquarie.

The teachers were interested in researching how PBL, our Positive Behaviours for Learning approach has been implemented at Sacred Heart Mona Vale. After an introduction in the library by Miss Perry and Mrs Williams the 19 teachers and CSO personnel visited Year 1F, Year 2D and Year 5S. They spoke highly of the dedicated passionate teachers here at Mona Vale and the incredible organisation of gathering data to support our PBL focus.

If you noticed a number of students in the “recovery position” in classrooms today do not be alarmed. Students in Year 3 and Year 6 were involved in a First Aid session. The children learned valuable life-saving lessons regarding the administration of first aid.

Thank you to all the fantastic parents who assisted our sports skills program this term. The children not only enjoyed their Tuesday afternoon sport but practised and learnt new skills in a variety of sports. The generosity of our parents in giving up their time to coach our students was very much appreciated. Thank you to Mrs Steph Munro who also volunteered her time and talent to facilitate the sports skills sessions.

Semester one reports will be emailed home on Friday. When parents share reports with their students I encourage parents to focus on effort and what students have achieved in the first semester. Every child’s learning journey is unique and there is always a next step, something to learn so celebrate the positive achievements of this first half of the year with your child.

It is with great excitement that we look forward to our Jubilee Dinner at Bayview Golf Club on Saturday evening. A huge thank you to the team of parents and especially Karen L and Juliana J for their efforts to ensure that the evening will be a success.

**Sports Skills Sessions**

Yesterday we held our final skills session for this term for our Year 4 to 6 children. A very big THANKYOU to Steph Munro for co-ordinating this program and to all the parents who volunteered their time on a Tuesday afternoon so that the program could continue at Sacred Heart.

We are looking to offer these sessions again next term starting in Week 2. Some of the sports on offer will include netball, cricket and AFL to coincide with our Term 3 Gala Days. We are also hoping to include our Year 3 children. If you can assist please keep Tuesday afternoons free.

In the spirit of Pope Francis’ joyful and action-oriented pastoral approach, here are two ways to live the Joy of the Gospel:

1. Be attentive to injustices as they occur in the home, in the workplace, and ‘speak up’ appropriately, lovingly, firmly.
2. Is there a parish ministry that needs to be initiated or supported, and to which you could lend your time and talents? Take the first step today.

On Friday we are celebrating the Feast of Sacred Heart with a whole school mass and sock drive. The Feast of the Sacred Heart of Jesus is a time for us think about the deep love and compassion that Jesus has for all people, especially the poor and the suffering in our world. It is a time for us to ask God to help us to love like Jesus; to be more generous and kind in our loving.

We have been asking families to donate a pair of new adult or child socks. The socks will be donated to St Vincent De Paul to give to those who need them.

All are very welcome to join us at mass at 9:15 am.

If Jesus came to your House (By Lois Blanchard Eades)

If Jesus came to your house to spend a day or two, If He came unexpectedly, I wonder what you’d do,
Oh, I know you’d give your nicest room to such an honored Guest, and all the food you’d serve Him would be the very best.
And you would keep assuring Him you’re glad to have Him there, that serving Him in your home is joy beyond compare.
But, when you saw Him coming would you meet Him at the door, or would you have to change your clothes before you let Him in.
Or hide some magazines, and put the Bible where they’d been?
Would you turn off the radio and hope He hadn’t heard, and wish you hadn’t uttered that last, loud, nasty word?
Would you hide your worldly music and put some hymn books out?
Could you let Jesus walk right in, or would you rush about?
And I wonder, if the Savior spent a day or two with you, Would you go right on doing the things you always do?
Would you go right on saying the things you always say? Would life for you continue as it does from day to day?
Would your family conversation keep its usual pace, and would you find it hard each meal to say a table grace?
Would you sing the songs you always sing, and read the books you read, and let Him know the things on which your mind and spirit feed?
Would you take Jesus with you everywhere you’d planned to go, or would you, maybe, change your plans for just a day or so?
Would you be glad to have Him meet your very closest friends, or would you hope they stay away until His visit ends?
Would you be glad to have Him stay forever on and on, or would you sigh with great relief when He at last was gone?
It might be interesting to know the things that you would do, if Jesus came in person to spend some time with you.

Sacramental Program – Pittwater Parish

“First Reconciliation and First Communion, the Sacraments after Confirmation, are open to all children in year 3 and above and children who received the Sacrament of Confirmation in 2014. All parents interested in enrolling must attend one of Pittwater Parish’s information sessions (sessions start on time and run for 1 hour).

Please visit the attached link parish website here for dates or contact Angela Smit at Pittwater Parish on 9997 7311 (ext 13) for more details.”
HELP NEEDED
We are looking for a graphic designer within the school that can help out with the design of the jubilee book to get it ready for printing.

Class Photos needed for 2003
We are missing the 2003 school photo album. If anyone had or knows of someone who had children in year 6 and kindergarten of 2003 only, we would love to get a copy of those 2 class year photos.

Please contact Marie Nero on 0410566777 or see her in the canteen if you are able to assist with the above.

Garden Club News

Hi there Garden Guardians
We all know about the health benefits of fresh organic food, so last week the Garden Club celebrated Well-Being Week by enjoying a healthy lunch of fresh produce. Lettuce, tomatoes, cucumbers and carrots were eaten by our school gardeners. It was lots of fun and good for us too!

Garden Club is second-half of lunch Tuesdays and Thursdays, all welcome.
Happy Gardening and Well-Being Week

First Aid Course – Yrs 3 and 6

St John’s First Aid
A qualified St John’s trainer visited our Year 3 and Year 6 classes today to empower students with first aid skills so they are ready to save a life in the event of an emergency. The content covered in each grade can be seen in the table adjacent. You may like to continue this conversation with your children about this life saving information at home.

All of our primary classes have now attended a St John’s First Aid session in either 2014 or 2015.

Pastoral Care and Wellbeing

As young children are growing and learning they sometimes have trouble dealing with challenging situations on the playground. The Helping Hand is a strategy that we are introducing to help the children deal with these situations on the playground.

Please take the time to discuss this strategy with your child and think of some situations where they might be able to use it on the playground.

Yr 3 Excursion to Kimbriki Tip

On Tuesday, 2nd June Year 3 went on an excursion to Kimbriki tip. First we went on the bus from school to Kimbriki tip. It took about 20 minutes. When we arrived at the tip it was pretty smelly. Then we had a tour on the bus. There was a tour guide at the front of the bus. We went to the eco house. There was a guide called Peter. He played the drums from Africa and South America.

We had a great time at Kimbriki.

Patrick and Baxter, 3R

On Tuesday, 2nd June, year 3 went on an excursion to Kimbriki tip. First we went on a tour around the tip and it was stinky. Our guide told us about it and she also told us that in plants there are these little bugs in them called micro-organisms. They help to break down into soil.

Then we went to the eco house and garden. We learnt about worms that help make soil, we learnt that chocolate is made of cocoa beans. We learnt that tooth ache leaves are edible and it makes your mouth feel numb for a minute. We learnt what ecologist means, it means I care for wherever I go.

Finally we went back on the bus back to school and we missed half our lunch. It was a great day!

Daniel, 3R

On Tuesday 2nd June Year 3 went to Kimbriki Tip. First we went on a tour of the tip in the bus. Our guide’s name was Pen. She told us so many THINGS about the Tip and how they recycle. They recycle 8 out of 10 all materials which come to the tip. Worm poo is soil and worms don’t have eyes and they don’t have a mouth what the worm eats out of is called a gizzard. Did you know there is a plant that helps cure tooth aches? It’s called a tooth ache plant so you eat the leave and it numbs your mouth.

At the Eco garden our tour guide was Peter. He told us how to be an Ecologist. An Ecologist cares about everywhere they go. We learnt about micro-organisms. They break down wood-leaves and vegetation and turn it in to soil

Matthew, 3R

On Tuesday 2nd of June, Year 3 went on an excursion to Kimbriki tip. First we went on a tour in a bus. Our guide, Pen told us some facts about recycling and re-using of materials. Then we had recess in the eco house. We learnt what an Ecologist is: “I care for were-ever I go”. Then we went outside to hold worms and Tom and Baxter fed the worms. They had to put water on top of their home.

Then we went to a bush in the garden. Peter told us it was a tooth ache tree and if you eat some leaves it will numb your tooth ache. Finally we got on the bus and went back to school. It was a great day. We learnt a lot from Pen and Peter.

Malia, 3R

News from “The Hub” (formerly P&F)

Our P&F Jubilee dinner is this weekend - we hope everyone is excited and getting their "Touch of Gold" outfits ready for the big night! We look forward to welcoming you all at Bayview Golf Club on Saturday night. Thanks again goes to Karen Locke and her team of helpers for putting together this wonderful evening for the parents of Sacred Heart.

Don't forget even if you cannot make it to the dinner you still can bid on the wonderful class artwork. These amazing artworks are in the school office for parents to view.

Please return money from the chocolate drive to the office as soon as you can, thank you to all the families who have already sold a box and handed returned money to the school office.

Central Coast Parents

Last week 150 parents in the Central Coast Cluster listened to Susan speak and the response was unanimous over the importance of the messages that Susan has on how to keep our kids on the internet. Whilst the internet opens up a whole new world of learning and possibilities, cybersafety is one of the most confronting issues for teachers, parents and of course students. Our young people today have access to and are accessible by many millions of people worldwide via the vast array of websites, applications and online-games.

As parents, you have a very important proactive role to play in the minimising the risk of cyberbullying, ‘sexting’ and harassing behaviours online and Susan’s informative and entertaining presentation will assist you to develop CyberSafety measures for your own family to ensure that your children remain as safe as possible when using the fabulous technologies available to them.

This very important seminar, that no parent can afford to miss, is being hosted by Mater Maria Catholic College, Warriewood on **Thursday 18 June at 7.30pm**. All parents from schools across our diocese are welcome and there is no cost. To assist with numbers, please go to the DPC website to RSVP [www.brokenbayparentcouncil.com](http://www.brokenbayparentcouncil.com).

Is your child lovable, but challenging?

When emotion gets too much for children to handle, they sometimes experience behaviours that last for weeks and sometimes years. Topics covered include: anger management, demanding, defiance, moodiness, anxiety, worry, and much more. If you were able to overcome these issues, your child being a better human being?

This presentation is for parents of children with special needs, parents who observe their children having problems, and parents who are trying to get along with their children.
