

## Term 2 Week 7 - 13 June 2018

**Term 1 Core Value:**

**Compassion**

**School Rule:**

We show compassion for our self, others and the environment when we...

**Expectation of Behaviour:**

Remind yourself when we are doing OK

Dear Parents

The disco was a marvellous success last Friday evening and concluded a wonderful day of celebration for the Feast of Sacred Heart. Thank you to Fr George, parents, teachers and students who assisted with the organisation of the Mass, Year 6 stalls and disco.

## Grandparents Day 2018

**And from one celebration to the next!**

**Grandparents Day-Week 10**

Grandparents of students at Sacred Heart are invited to our school on Wednesday 4 July 2018. We will begin the day with Mass at 9.15am in our parish church and after Mass grandparents may wander up to the hall for morning tea or visit the classrooms. Morning tea will be served in the school hall and there will be some entertainment from our Training and Concert Bands as well as a performance by our school choir.

Wednesday July 4  
9.15 am Mass  
10am-11am  
Open Classrooms  
and  
Morning Tea and Band/  
Choir Performances in  
the Hall.

At the end of this term, I am excited to have the opportunity to be taking Long Service Leave from Monday 25 June to Monday 6 August. I will be walking part of the Via Francigena an ancient road to Rome, Italy and also visiting family in New York, USA.

It will be a time for me to renew the body, mind and spirit. Whilst on Long Service Leave, Mrs Rosemary Vella from the Catholic School's Office will be Acting Principal of Sacred Heart.

Kind regards

*Mrs Suellen Garey*

## Religious News

### First Communion

This weekend our students in Year 3 will be making their First Communion. Thank you to the group leaders and parents for your involvement and sharing this journey with your children.

### A Prayer for First Holy Communion

*Lord Jesus,*

*Bless the children coming forward to receive Holy Communion for the first time on Sunday.*

*May it be an initial step into a life-long love of the Eucharist.*

*Give them a hunger for this sacred food so that they turn to you for comfort, guidance, and wisdom as they grow into full discipleship.*

*Thank you for their innocence and goodness.*

*May their hands, extended in anticipation of your Body and Blood, inspire all of us to cherish this sacred sacrament.*

*Amen.*

### St Vincent De Paul Can Drive

Thank you to the many families who supported St Vincent De Paul in the "Tinnies for Vinnies Can Drive" led by Year 2. The Tinned food will be delivered to the St Vincent De Paul Depot at Brookvale who will organise for the distribution of food to families in need.

## East Timor Day Celebrations

Congratulations to the Mini Vinnies Team for organising another successful East Timor Celebration Day. Pittwater Parish and Sacred heart School have been supporting East Timor through Friends of Pittwater for a number of years. Tamara Harding visited each grade to share with the students how as a community we have been able to make a difference to the lives of others.

A very big thankyou for your support.

The Mathematics Challenge for Young Australians (MCYA) is a challenging program for talented students. MCYA is targeted in Year 6 to the top 20% of students who are being extended for maths. The MYCA provides materials and resources to assist teachers in enabling talented students to reach their full potential.

The aims of the MYCA include:

- Identifying talented young Australians, recognising their achievements nationally and providing support that will enable them to reach their own levels of excellence.
- Encouraging and fostering:
  - a greater interest in and awareness of the power of mathematics
  - a desire to succeed in solving interesting mathematical problems
  - the discovery of the joy of solving problems in mathematics.

The Challenge began in Week 5 and it runs over a three-week consecutive period. Students are given a booklet which contains four complex multi-layered problems. These problems can be discussed in groups of two or three, before individual students submit their solutions. Students can research to find suggested ways of working out a solution and teachers can teach different strategies but it is left to the students to work out how to solve the problems.

The booklets are assessed and the students are given marks for completing parts of the challenge. The results are sent to the MCYA and students who are the top scorers are acknowledged, with all participating students receiving a certificate recognising their efforts.

We thank Mr. Felsman for supporting our Sacred Heart mathematicians and students from Maria Regina and St. Josephs. We look forward to acknowledging our four Year 6 students and four Year 5 students shortly.

Here are some thoughts from students who attended:

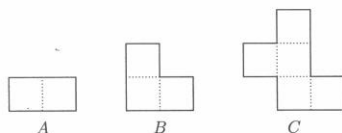

*The maths challenge is a cooperation based challenge that makes you think about different math questions as a group. We were challenged by the questions, so we cooperated with the other students from different schools to figure out the harder questions and to share ideas and new ways to solve the mystery of the question. I enjoyed the communication between us and our new friends as well as the challenge of the questions. We made friends with Josh, Luke, Will and Sam from schools such as Maria Regina Avalon, St Joseph's Narrabeen and St Rose at Collaroy. It was nice to have year 10's help with the challenge at Marter Maria, as they were there to help us. It was good having the challenge in a dynamic way, because we were able to chat and work with others.*

*Joe C, Harry C and Ella M - Year 6*

Below is a sample problem for you to explore.

**UP1 Bitriplets**

Tia has a square grid and several of each of the tiles *A*, *B*, and *C* as shown below. The tiles consist of 2, 3, and 5 grid squares as shown by the dotted lines. For this reason she refers to these tiles collectively as *bitriplets*.

Tia places her tiles to cover different shapes on the grid with no gaps and no overlaps. She sometimes rotates or flips the tiles. For example, here is one way Tia could cover a  $6 \times 3$  rectangle using two *A* tiles, three *B* tiles, and one *C* tile.

2

- a Draw a diagram to show how Tia could cover the smallest square possible using only *B* tiles.
- b Tia uses at least one each of the *A*, *B*, *C* tiles to cover a rectangle whose area is 18 grid squares. Draw a diagram to show how she could do this.
- c Tia covers two rectangles that both have perimeter 16 but have different dimensions. She uses at least one each of the *A*, *B*, *C* tiles for each rectangle. Draw a diagram to show how she could do this. Explain why no other rectangle of perimeter 16 is possible.

## Happy Birthday

**Happy Birthday** from all at Sacred Heart to the following students who are celebrating their birthday this week:

Tara F, Lucas R, Lucas W, Joel H, Jay C, Liam T

## Kiss & Drop Morning Volunteers

The morning Kiss and Drop Zone ensures that students arrive to school safely. We could not do this without our wonderful volunteers. If you would like to be added to the Kiss and Drop Roster please email Rebecca Molinaro at [becmolinaro@outlook.com](mailto:becmolinaro@outlook.com)

## Band and Choir News

Both Training and Concert Bands and Choir will be working towards a performance on Grandparents Day to be held Wed Week 10. I will be on leave from next Tuesday, 19 June and will be replaced by Miss Molly McCoy, Music Teacher and Ensemble Director for the duration of this term.

**Clare McFadden – Band Director**

## Lunch Club – Term 3

### Wool Donations

Thank you for the wool donations being sent to the office. The more we receive the more Pom Poms the children can make, so if you have any wool lying around the house or know someone who might, please bring it to the office so we have plenty of wool for the beginning of Term 3. The pom poms that the children make will then contribute to decorating the friendship tree at the end of the year.

All donations will be appreciated - please leave them with Karen in the office.

## Qkr! App Update

Mastercard have advised that as of 6 June 2018, some of the older version of the Qkr app will no longer work. Most people have auto update enabled on their phone settings so this will happen seamlessly for you. If you are having trouble with your Qkr App, simply download the current version from the app store. If you are unable to update on, say, an older phone please use the Qkr website at <http://qkr.mastercard.com/store/>

## Hub News

### Air Conditioning

As many of the school community would know, we surveyed parents in 2017 asking what improvements they would like to see in the school. The majority of respondents said classroom cooling was a priority.

We have been working with Suellen to bring about reverse cycle air conditioning to all classrooms. We are pleased to announce that we now have confirmation from the Catholic Schools Office to bring this project to fruition. Our goal is to have the majority, if not all of the classrooms air conditioned by the start of term 4.

Thank you for your ongoing support. We will keep you informed of our progress.

## Chocolate Drive

We still have a number of boxes of Freddos and Caramello Koala's to sell, so if you are able to sell a second (or even third, fourth...) box we would be most grateful. Remember to return your money as soon as possible.

A reminder that you can pay for your chocolate box electronically via the Qkr app (\$48 per box) or by cash.

## Grandparents Day

If you are able to volunteer to help organising, prepare or serve at Grandparents Day on 4 July, please contact the Hub. We would be grateful for any help you may be able to give.

## Entertainment books

We are now selling the 2018/19 Entertainment books. If you would like to purchase a digital copy or hard copy please follow the link below:
