

Term 3 Week 1 - 2 August 2018

School Rule:	We show justice towards our self, others and the environment when we...
Expectation of Behaviour:	Tell the truth

Dear Parents

“Education is the most powerful weapon which you can use to change the world” - Nelson Mandela.

The educational focus in classrooms (aka ‘places of discovery’) in recent times has been on the acquisition of 21st century learning skills. These Skills (how we use what we know) encompass dispositions such as collaboration, critical thinking, creativity and communication and augur well with the [Broken Bay Learning Principles](#). Charles Fadel’s [4 dimensional model of 21st century learning](#), positions these skills within the broader Meta-learning context (how we reflect and adapt). Both Knowledge (what we know and understand) and Character (how we behave and engage in the world) complete Fadel’s 4D model. Perhaps the focus on 21st century meta-learning incorporating the intersection between skills, knowledge and character will provide a framework, or in Mandela’s words “a powerful weapon”, with which we can change the world.

As you may be aware, I’m leaving my post as acting principal this Friday 3 August after 4 weeks (6 including the holidays) of engagement with and connection to the Sacred Heart community. I’ve been blessed with the joy of laughter and wonderings from students, the dedication and commitment from staff and the privilege of reconnecting with a past student from my early teaching days at St Vincent’s College Potts Point. I leave with fond memories of my short time here and wish each and every one of you a thousand blessings and good wishes.

Kind regards

Rosemary Vellar
Acting Principal

Religious Education News

During Wednesday and Thursday of last week Mrs Nolan-Brown and myself were privileged to be able to present at the “Sweeter than Honey” Scripture Conference. The conference was a professional learning initiative for teachers of Religious Education in the Diocese of Broken Bay to support them in engaging their students in a more critical, creative and prayerful encounter with the Word of God.

Mrs Nolan-Brown and I presented a workshop on a teaching strategy called “Three Worlds of the Text.”

This strategy encourages our students to explore the context in the scripture, allowing them to have a deeper understanding of scripture passages studied. During term 2, I was co teaching with Mrs Nolan-Brown and Mr Felsman to use the strategy with Year 6 in Religious Education.

Mrs Laxale and Mrs Mitford also attended the conference. They have also used this teaching strategy in Year 3. We look forward to sharing our knowledge and experience with staff.

Road Safety – Bicycle Law Change

Northern Beaches Council have advised us that it is now legal for children to ride on the footpath until the age of 16. Adults who are supervising children under 16 are also allowed to ride on the footpath. This is good news and hopefully will promote more children to get out and ride their bikes with safety. The following links are provided from the Council for further information on this important new law change.

Calling all schools!

Each year the Australian Children's Music Foundation run a **free** songwriting competition that is open to all Australian children of school age. It's easy to enter - students simply need to upload an MP3 recording of their song, along with a lyric sheet, using the online entry form on our website. The songs are judged by the quality of the songwriting, not the quality of the production. An entry could be as simple as a recording on a mobile phone, with or without instruments, or as complex as a fully produced studio recording - it doesn't matter!

It's completely free to enter - the idea behind the competition is to encourage children to be creative!

Prizes are in the form of cash that must be spent on either musical instruments or tuition - hopefully encouraging a continuation of participation in music for the successful individuals.

We need your help in getting the word out. If you could forward this email on to any teachers at your school who are involved in music or creative arts, or anybody who may wish to encourage their children to try their hand at writing a song, it would be very much appreciated!
