| Expectation of Behaviour: | Clean up after yourself |

Dear Parents

This week we welcomed to our school an expert panel of three Principals and three educational consultants to complete our School Review Process. For two days the panel have spoken to teachers, staff, students and parents to affirm the directions that the school has put forward for the next three years and to offer some considerations for the future. The discussions were very positive and will be shared more fully over the coming weeks when the final reports are received. We began the week with a beautiful prayer prepared by teachers and then a Year 6 reflection on the Good Samaritan story.

This week we have celebrated and reflected on our learning journey at Sacred Heart. As part of the Diocese of Broken Bay we exist to evangelise and to proclaim the Good News of Jesus Christ. We seek to care for and serve all the people of our school and parish community to proclaim the Good News of Jesus in word and action.

This Friday, Sacred Heart is hosting the Feathertail Glider Expo. Students from St Rose and Sacred Heart along with their mentors from Mater Maria Warriewood will present their projects. Guests will include Mayor Reagan, officers from the Northern Beaches Council, Taronga Park Zoo rangers, Mona Vale Librarian and Catholic Schools Office educational officers. Year 4 will have the opportunity to share their projects with their families on Thursday in the hall. Student's projects will be displayed at the Mona Vale library, Warriewood Square and United Cinemas over the school holidays.

Year 3 and Year 4 Cricket and Eagle Tag Gala Day will be held next Tuesday 25 September and the Year 5 and Year 6 Cricket Gala day will be held on Thursday 27 September. Thank you to the parents who have offered to manage a team. When parents offer to manage teams it allows more children to be able to participate in the sporting gala day. Next week student selections will be held for the Year 5 and Year 6 Basketball Gala Day to be held on Monday 29 October at Jackson's Rd Warriewood.

Kind regards

Suellen Garey

SHMV Friendship Garden

A friend is someone who cherishes the special moments and memories of life with another person. A friend is a trustworthy companion. Friendship is a relationship which takes time to build. There are many steps and stages to achieving a true friendship. However, one can think building a friendship is like planting a garden. For many people, planting a garden represents, devotion and leisure. It takes patience to grow a garden, frustrations and hardships are also involved in the process. Firstly the seed is planted. The seed builds the foundation of a strong and stable plant. It has to be taken care of and watered daily. Then the shoots start sprouting, the plant is finally flourishing.

One can see day by day the garden maturing. The charm and divine beauty of a garden is a wonderful enlightening sight. Building a friendship has similar characteristics. One meets a person and plants the seed of friendship.

The friendship builds and continues to grow stronger. It requires devotion of time and patience to achieve peak communication between the two companions. The struggle to keep a solid friendship includes many obstacles and hardships. But compromising, devotion and the willingness to endure is bound to pay off in the end.

As we all know it takes a long time to grow an old friendship. Friendship has its good and bad times and one must have the patience to deal with such frustrations.

The willingness and determination to get the relationship working again comes from within. Compromising and persistence rebuilds the friendship and once again it's re-established.

If building a friendship can be compared to planting a garden then perhaps some of its frustrations and problems can be better understood. The true meaning of friendship is achieved by understanding its relativity to planting a garden. A person who builds a friendship as planting a garden can overcome the obstacles of it very easily. The symbolism becomes clear and precise. Friendship and planting a garden can both be said as give and take. The more effort and persistence put into them the stronger and everlasting happiness can be accomplished.

We encourage and nurture our students at Sacred Heart to be patient and persistence with their friendships. A saying I often use with the students "To have friends you've got to be a friend". I think what I have said above rings true with this saying.

This term Mrs Capell has run a popular pom pom club. Many students thoroughly enjoyed the experience. We thank Mrs Capell (Year 3 Abi and Year 6 Harry's mum) for her efforts to restore our friendship tree's façade. With its strong roots and bright ora we hope it continues to be an image of our strong friendship foundations at Sacred Heart Mona Vale.

Additionally we thank Mrs Corniani (Year 1 Alfredo, Alessandro and Lupo's mum) for continuing the Italian club and Miss Edwina Ovens (Notre Dame student) for Dance Club and last but not least we thank the staff for sharing their gifts and talents at lunch time. This term Mrs Nolan Brown ran Waste Warriors and SRC, Miss Quinlan ran Origami, Mrs Driscoll supported Dance and Mrs Harrison assisted the love of reading in the library. These additional clubs are engaging and enjoyed by many at Sacred Heart Mona Vale. If parents would like to be involved in lunch clubs please inform the school executive.

Hub News

Uniform Shop

The uniform shop is overflowing with winter items, so if you would like a bargain, feel free to browse and buy for next year. If you have any items in good condition that you no longer need – especially summer items, please drop them by.

We are in need of volunteers to help in the uniform shop. If you can spare 15-20 mins, say from 8:30am or 2:30pm any day we would be most grateful. All sales proceeds go to the P&F to help fund initiatives for our children and school. Please contact The Hub if you can assist.

Chocolates For Sale - Yes, we still have chocolates for sale! Why not stock up for the school holidays – the kids will love them! A box of 48 chocolates has been discounted to \$40 per box, so you get 8 free – yum....
