Expectation of Behaviour:

Help to carry a heavy load

Dear Parents

This year we have focussed with our parish on the year of Courage. Courage to be people of action. Our crazy "Socktober" celebration was filled with laughter and fun today as we raised money for schools in Myanmar. Congratulations to the year 3 students and teachers for this social justice initiative, making a positive difference in our world, being people of action, being people of courage!

God grant me the serenity
to accept the things I cannot change;
courage to change the things I can
and wisdom to know the difference.

School Review Report 2018

Learning and Teaching:

"The panel acknowledges the establishment of the Professional Learning Model which was seen to strengthen the culture of learning at the School. The importance of the PL model cannot be understated as it acts as a catalyst to enable change in practice and to foster shared practices. Similarly the identification of high quality pedagogical practices is key to supporting the School's vision in fostering student agency. To support the School in this endeavour the panel offers the following recommendation: That the school identify and consolidate high quality pedagogical practices through the existing PL model to authentically embed a culture that promotes student agency."

Thank you to the managers of the basketball teams who volunteered for the Gala day last Monday. There were some great results and sportsmanship on display. Congratulations to our winning girls team and runner up boys team.

Interschool debating has commenced and our team members are Ella M, Harry C, Emma B and Joel H. Though unsuccessful last week against St Martin's, the team displayed some strong skills whilst debating against "That sport for all Primary School Students should be Compulsory on the Weekend."

It is ADHD awareness month. There is compelling research to show that up to 40% of children with ADHD are not meeting the minimum standards for literacy and numeracy in NAPLAN. "Am I Bad?" Hyperactivity and impulsivity can be misread as aggression. Read this link regarding some steps to take if your child has been called a bully.

Professional Learning This Week!

The focus of our Professional Learning Meeting this week was reviewing the Naplan data for Sacred Heart. In this interactive workshop we analysed students' data from recent NAPLAN testing (2018). We used the student assessment data to analyse and evaluate student performance in the various strands of English and Maths. We identified strengths and weaknesses and how we can address these in our teaching practice.

PAT Assessments

During this week and next week students in Years 1-6 are completing online assessments in Maths and Reading/Comprehension called PAT Tests. Students will also complete paper based PAT Assessments in spelling and punctuation and grammar. In adopting and using Progressive Achievement Tests to investigate and diagnose student learning and to monitor progress over time, teachers are working within a growth mindset, with the benefits of targeted teaching, increased levels of student engagement and improved learning outcomes.

Kiss and Ride Procedure Reminder

Regrettably, we have had the bus company complain about the access from Waratah Street turning into Keenan Street due to our kiss and ride cars queuing close to the corner in both streets. Apparently the bus was held up significantly as a result of the cars in our kiss and ride queue.

So, a respectful reminder that:

- When queuing in Waratah Street, please do not stop past the “no stopping” sign indicating where you may stop,
- Please ensure you do not stop around the corner in Keenan Street before the “no stopping” sign, and
- Please do not block the driveway into the staff carpark.

The bus requires a significant turning area, so please observe the parking signs as indicated. Periodically, council rangers are on duty and we would not like you to be booked as a result of waiting/stopping incorrectly.

Thank you for your understanding.

Start your Sunday with a family swim, finishing with a BBQ sausage sandwich. The **COLLARROY SWIMMING CLUB** can offer just that!

The **COLLARROY SWIMMING CLUB** is a friendly, family orientated swimming club, catering for all ages and standards. Distances start from 15 metres, 25, 33, 50 and 100 metres covering all form strokes. In addition we have Parent and Child races though the season and 33 metre Freestyle Vet. races for those over 30 years old. All races are handicapped so everyone has a chance to win a race!

The club also offers long distance races on Wednesday evenings from 7.15pm. This has been very popular over the years.

Come down and have a look one Sunday morning at the **newly renovated** Collaroy Rock pool, which now has lines on the bottom. Races commence at 10.00am and the program usually finishes around midday. We may even have the BBQ on.

Election work is a thoroughly rewarding experience and a great opportunity to contribute to the local area. **To be eligible, you must be an Australian citizen and over the age of 18 years.**

All temporary election roles are paid and full training is provided.

So, register your interest today to be considered for work when the next federal election is called. Registrations of interest must be submitted online.
