### **Swimming Carnival Important Notice**

Dear Parent/Guardian

Please be advised that a spectator fee applies to any member of the general public who wish to view the swimming carnival. The spectator fee assists Council in meeting some of the operating costs of the Swim Centre which include the public liability insurance covering spectators.

***The Swim Centre conditions of hire for swimming carnivals does not allow students to swim in the 25m or toddlers pools whilst the carnival is in progress, even if signed out or accompanied by a parent or guardian.***

As all students entered as a school booking, they must exit the Swim Centre as a school group. If children wish to swim after the carnival is complete they are required to leave the centre with the school and re-enter, paying the \$5.50 child entry fee. Children under 10 years of age must be supervised by an adult (18 years or over).

**School Swimming Carnivals are a fun time for everyone and should be treated as such. The hirer is responsible for all attendees involved in the event. This includes, but not limited to, School Staff, Students, Volunteers and Spectators.**

**Any participant found to be abusive to any staff member of the Manly Swim Centre, members of the public or other event participants or fails to abide by the conditions of entry will be removed immediately from the Centre and reported to the School Principal. Failure to leave the Centre will result in the carnival being shut down and all attending participants will be required to leave the facility.**

We hope all visitors enjoy their day at the Manly Swim Centre and embrace the positive & encouraging environment. Cheer on your kids!
