Dear Parents

This morning we celebrated Mass with our beautiful grandparents. Grandparents day is one of our busiest days of the year, grandparents travel from near and far to share some special time with their grandchildren showing their deep love for them. Our grandparents were delighted to visit the classrooms, to observe the learning and to meet their grandchildren's new friends and the classroom teacher. The school band performed on the stage, after a delicious morning tea for grandparents in the hall. Thank you to the parents who baked and served and prepared the morning tea.

Our Endless Summer Gala Dinner has finally arrived and we are looking forward to a fabulous evening on Saturday night at the Royal Motor Yacht Club and a huge thanks to the very many people who have worked so hard for this evening. This event is our major fundraiser for the year and I sincerely thank the parents who have purchased tickets and who will bid for the beautiful artworks and purchase the silent auction items. Thank you to our platinum sponsor Narellan Pools. Thank you to our amazing Hub Co-Presidents, Amanda and Grant, and their team of helpers - those who sought sponsors, decorated the venue, sold tickets, promoted our event, created art works, prepared auction items, transported, negotiated, collaborated and persisted. Your efforts are extremely appreciated!

We wish our chess competitors all the best next week as they challenge a number of schools from the Northern Beaches competing in a gala day at Collaroy.

Also, next Wednesday our band will be participating in a band camp with the Mater Maria students in our school hall. Our band director, Jane Nelson together with Mater Maria's band director, Miss Klara Hollestelle-Watson, will be facilitating the day. All parents are invited to a combined band performance at 11:30 am.

Thank you to parents for their cooperation as we begin using COMPASS at the kiosk in our foyer for late and early arrivals. Parents are reminded that, going forward, all student semester reports will be available on COMPASS.

For the past months the school has been moving towards forming a school advisory team. Similar to a school board this team will be a valuable asset to the principal and to the school in general about directions, policies and procedures. The advisory team will be made up from various sectors, teachers, parents, professionals who have expertise and who are willing to share and explore ideas. The school advisory team is not a fundraising team, the members will meet once a month and will not change the current structure or goals and aims of the current Hub

(P&F) team. Please consider your participation in the school advisory team. The school will be seeking nominations from approximately three or four parents who maybe interested in taking up this role for a period of three years.

## Wellbeing

### Social and Emotional Learning

**Respectful Relationships Groups** started this week at Sacred Heart.

*What is Respectful Relationship Groups?* They are peer groups of students led by Year 6 children across the school who are working together at establishing positive group dynamics and teaching each other about the SEL competencies of Self-Awareness, Self-Management, Social Awareness, Relationship Skills and Responsible Decision Making.

**The program this year was structured due to the work the teachers have been doing in Term 3 around Social and Emotional Learning. This year's program has been designed to work on:**

#### Self-Management

Expressing emotions appropriately  
Working independently and showing initiative

#### Responsible Decision making

Developing leadership skills  
Making decisions and dealing with consequences

**Respect**

**Compassion**

**Justice**

**Service**

**Self-Awareness**

Developing self-discipline and setting goals

This week’s lesson focused on how to be a *good group member-Self Awareness*

It looked at how you work in a team: *With taking turns, listening to each other, joining in, showing respect to each other.*

The group then identified Personal Strengths and how Personal Strengths help us to get through a day such as: *Kindness, bravery, generosity, hard-work, forgiveness, curiosity, honesty, fairness and humour.*

Children then completed a Personal Strength Star. They also watched a video about the Power of Team Work

**Gratitude:** During Tuesday’s Recess this week the chalkboards on the playground had a sign saying: I am grateful for ...and.. I am thankful for..

Children who walked past had the opportunity to write what they were grateful for such as family, friends, the earth, flowers and yummy food. By showing Gratitude studies show that it can significantly increase wellbeing and life satisfaction.
