Dear Parents

Welcome to 2020 at Sacred Heart. We welcome back returning families and staff as well as new families and staff who are joining our school community.

The past January holiday season in Australia was one we will never forget. In a recent homily, Fr David Ranson reflected,

*'The scale of the disaster and its implications in the lives of so many Australians means that we are at a turning point. As many have expressed life cannot be the same after this Summer. It has raised too many questions for us... They must continue to goad us into a different way of thinking and hopefully a new way of acting. They have the potential to lead us into a new identity as Australians.'*

We offer our prayers, thoughts and love to those families who were affected by the bushfires throughout New South Wales, Victoria and South Australia.

2020 at Sacred Heart promises to be an exciting year. It is an Olympic year and we plan to celebrate the Olympic spirit with enthusiasm! We love our sporting events at Sacred heart and celebrate our many champions at the same time encouraging maximum participation by all. Healthy body healthy mind for all students at Sacred Heart. Week 9 Term 2 will be a week learning about the Olympics in Japan and will culminate in a "Colour Fun Run" on Friday 26 June.

Our STEM project, which over the last three years has been on the Feather Tail Glider, will change focus to a study of an endangered owl. This exciting project for year four students will be a joint project with Mater Maria College, Taronga Park Zoo and other community groups.

We are looking at expanding our extension programs for students K-6. Students who are gifted and talented will join "The Little Einsteins". Eligible students will have opportunities to participate in extension English, Mathematics and project-based learning activities.

This year we also would like to focus on consolidating the amazing work done in 2019 in developing sustainable practices at Sacred Heart. Recycling, composting, veggie gardens and Waste Free Wednesday will be projects continued and further developed.

Please note the change of time to the Parish daily Mass it is now 9:30 am in our church at Sacred Heart.

Thank you to the class parents from year one who facilitated the "Tea and Tissues" event for new kindergarten parents on Friday. It was a lovely event as parents mingled under the Peppertree and stories were told to mark this special occasion in the lives of these families and their first day at school.

The first meeting for parents who are interested in joining the school advisory team will be held on Tuesday 25 February at 9am in the school library. Interested parents are welcome to come along and hear the direction regarding governance that the school will be taking. Mr Mike Gaffney from the Catholic Schools Office will be facilitating the session.

All parents K-6 are invited to “Meet the Teacher” on Tuesday 11 February. Parents get a chance to listen to the classroom teacher speak about his or her expectations for the year. There will be two sessions, 6 pm and 6.30pm so parents have the opportunity to attend more than one child’s session. After the “Meet the Teacher”, parents are invited to the first Hub general meeting which will be held in the library.

Congratulations to our year 6 students who received their Senior’s Badges and Leadership Badges this morning at the Opening School Mass.

### Communication with staff

Communication - There are a number of ways to access school information for parents and our school wants to ensure effective communication between parents and the school.

- School website and APP
- Email
- SMS
- Twitter and Facebook
- Weekly Newsletter
- Phone

Email is our preferred channel of communication. Staff members may be contacted by email however it is essential that parents understand that due to the nature of their work parents should not expect an immediate response. **A response will be made within 48 hours.**

Please do not email through to your class teacher change of going home plans or any matter that needs immediate attention regarding your child, these matters need to be sent to the office. The school administration is open from 8.30am-3.30pm during term time.

For urgent matters phone or visit the school office. **Please note it is very difficult to ensure that students receive last minute change of home arrangements if phoned through after 2pm.**

Teachers are interested in meeting with parents to discuss their child's progress or behaviour. Appointments are necessary so that teachers can give the necessary time to parents for discussion. Appointments can be made directly with teachers via email. Appointments with the Principal or Assistant Principal can be arranged via telephone with the school office.

## Volunteers

At Sacred Heart we appreciate and value the partnership we have with our parents and caregivers. For the safety of our students, all Parent volunteers require a current Working with Children Declaration and will not be able to volunteer at school without one. This will include canteen, excursions, library, sport days, incursions and helping in classrooms. If you do not have a declaration on file, please see the school office or you can download a Parent Volunteer Declaration Form from our school website [here](#). Thank you for your invaluable support throughout the year.

## Curriculum News

### Mathsonline

This year Sacred Heart has subscribed to Mathsonline. After receiving feedback from the teachers, parents and students we have decided to subscribe to Mathsonline as a school for 2020. Mathsonline will be included in student homework.

Mathsonline is an online learning resource, which is aligned to curriculum standards. Students sign in with their school username and password using any compatible computer or mobile device. [www.mathsonline.com.au](http://www.mathsonline.com.au)

Learning tasks will be assigned by the teachers for homework on a weekly basis for students in Year 2-6 and will be differentiated according to ability levels.

## From the Office

### Attendance Reminder:

#### How to add an attendance note for full day absences

If your child is going to be away for a **FULL** day in the future, please follow these instructions. For partial day absences/late arrivals, please use the kiosk at the front office.

If you are adding an attendance note for a day passed, please access Compass through the 'browser view' and click on the link above the newsfeed. This will automatically fill in the required date information, you will simply need to add a reason.

- a) On the home page, click 'Add Attendance Note'
- b) In the next screen, click on 'Reason' and choose the option that best describes.
- c) Look at Start Date and End Date to ensure it is correct. **DO NOT** worry about the times, leave as they are. You also do not need to worry about 'Missed' – this is simply the sessions missed by the stated absences.
- d) Click on blue bar 'Add Attendance Note'.

#### 10+ days leave or scheduled absences in advance

10+ days leave or scheduled absences (in advance) – please complete the Application for Extended Leave (Form A1), include a valid itinerary and hand into the office. The form can be located in the [Admin Notes and Apps](#) page of our school website.

**Late Arrivals or Early Absences** are to be entered via the kiosk at the front office.

Students must be accompanied by a parent/carer for late arrivals or early departures. This is not only a compliance obligation, but an important safety measure in the event of a school emergency and allows us to know whether your child is on the school grounds.

#### Security:

Please use the breezeway entrances to enter and exit the school (not via the admin office foyer door). If the door is locked, we can “buzz” you through.

Access to the school grounds is not permitted via the staff carpark driveway for safety reasons - please use the kiss and drop gate or the main entrance gate near the school crossing, thank you.

After School: When collecting your child from after school care, please ensure the breezeway doors are closed.

**QKR!** – Just a reminder to update your child’s new class details to ensure payments are correct.

**Carol Bartlett, Senior Admin Officer**

## Wellbeing

*Welcome back to our existing and new families!!! We hope to have a wonderful year of learning and creating opportunities for living, loving and learning together.*

At Sacred Heart we strongly believe in supporting our communities Wellbeing. We have a number of initiatives to help all community members feel that they have a sense of belonging and place. These programs are in place to ensure that each child is physically safe, cared for and nurtured.

The main programs and frameworks in place at Sacred Heart are as follows:

Our **Core Values** system based on the Good Samaritan values of Respect, Compassion, Justice and Service. This term our Core Value Focus is *Respect*. Each week we have a focus and this week’s focus is ‘*Wear our uniform with pride*’.

**Our Tier 1, 2 and 3 Behaviour Management**

system based on the Positive Behaviour for Learning framework, which is a whole school approach to behaviour management, and

The **BEYOU** framework formerly known as KidsMatter, which is a mental health and wellbeing initiative for primary schools. The focus of this framework is to create a positive school community. This Framework supports and develops:

- teaching children skills for good social and emotional development (SEL).
- Working together with families
- recognising and getting help for children with mental health problems.

Some ways we implement our programs and frameworks is by having a Wellbeing Team made up of staff and parents and by having learning experiences that cater for all students Social and Emotional Learning. This includes specific lessons that have a SEL (Social and Emotional Learning) focus in PDH programs across the school. We also set time each term to celebrate Wellbeing Week.

One example of Social and Emotional Learning in context is our Buddy System. This is evident early in 2020 with the Buddy System that occurs for our Kindergarten children and our new families. The Buddy System is to help our Kindergarten children to settle into school and learn about life at ‘Big School’ with an experienced older child. Our Year 6 students look forward to this responsibility and leadership role. So the programme creates positive experiences for both Year 6 and Kindergartens.

We also provide Lunch Clubs for children to share experiences. The photo included this week is our Gardening Club. *If you are passionate about Gardening or you would like to help with the Sacred Garden, please email [skye.nolan-brown@dbb.catholic.edu.au](mailto:skye.nolan-brown@dbb.catholic.edu.au) or come to Sacred Heart on Tuesday’s 1:10-1:30.*

Its been a busy start to the year in the canteen already and a few new little faces at the window too! ## Kiss & Drop Morning Volunteers

Welcome to our new and returning families. We require more volunteers for our morning Kiss and Drop Zone. This wonderful initiative ensures that students arrive to school safely – a service we could not provide without you. Please consider if you are able to spend 45 mins assisting from 8:15 to 9:00am, even if it's once a month. It is a most satisfying role, greeting all those happy, smiling children! If you would like to be added to the Kiss and Drop Roster please complete the Volunteer Form included in this newsletter or email Rebecca Molinaro at [becmolinaro@outlook.com](mailto:becmolinaro@outlook.com)

## The Hub

We would like to welcome all of our new and returning families to our school community.

Thank you to our Year 1 parents for hosting a beautiful Tea & Tissues morning tea for our new Kinder families, it was a lovely morning enjoyed by all that attended.

The first HUB meeting for 2020, will be held on Tuesday 11th February at 7pm in the library, after the meet the teacher evening. We will be talking about the playground and the planned upgrade. We welcome everyone to come along, it's a great night to meet other parents at our school and keep informed. The HUB will provide light refreshments.

The Welcome BBQ / Bush Dance will be held on Friday 6th March. This is a free event for families, we look forward to a great evening with a sausage sizzle provided and some country music to enjoy. This is the first event for the whole school so we encourage you to come along and join the fun!

The Parents Golf Day will be held on Friday 13th March from 11.30am at Bayview Golf Club. Additional details to follow.
