Dear Parents

We are delighted to inform you that Sacred Heart School will be participating in the world-renowned ICAS Assessments this year. ICAS is developed by UNSW Global, a wholly owned subsidiary of UNSW Sydney, with over 35 years' experience in educational assessments.

ICAS is designed to target students' higher order thinking and problem-solving skills in English, Mathematics, Science, Spelling and Digital Technologies. (Please note: Writing is not available in 2020).

Each assessment celebrates students' accomplishments by providing opportunities for recognition. Every student will receive a printed certificate and an online result report. Top performers will be eligible for medals and are invited to attend special award ceremonies to have their academic excellence publicly recognised.

We encourage you to consider entering your child into ICAS this year. The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment. Your child will be presented with high-quality, expert-developed questions, allowing them to apply their learning without the need for prior study or revision.

These competitions /assessments are not compulsory. Competitions are held at school on the following days:
