Term 2 Week 7 - 10 June 2020

Term 2 Core Value:

Compassion

School Rule:

Show Compassion for ourself, others and the environment

Expectation of Behaviour:

Let others learn

Dear Parents

This weekend is the Feast of Corpus Christi. Corpus Christi Cathedral is a cathedral church located in Corpus Christi, Texas, United States. Question: "What is the meaning of Corpus Christi?" Answer: The words Corpus Christi literally mean "body of Christ" in Latin. Corpus Christi, also called the Solemnity of the Most Holy Body and Blood of Christ, is a religious festival celebrated by many Roman Catholics on the first Thursday after Trinity Sunday, which is the first Sunday after Pentecost.

Today at Sacred Heart we celebrated International Battens Awareness Day. The children were delighted to listen to the life stories and watch the skills of Basketball paralympians Donna Ritchie and Koen Jensen. Rad Radan from the Manly Warringah Basketball Association also coached children in small groups for a skills session. The theme of #Bounce4Battens was celebrated with the children bouncing around our school, participating in balloon volleyball, jump rope, basketball, bin toss and mini basketball drills. To continue the theme of #Bounce4Battens we chatted about the need to be resilient, especially during these COVID-19 times, and to bounce back when things don't go our way. Thank you to the Riddle family, Mrs. Nolan Brown, Mrs Munro and Miss Cahill and the Year 6 students for organizing this awareness raising day.

We are attempting to re-open our canteen at school, without volunteers, without cash and without counter service! On a positive note lunch orders may be purchased via QKR for Thursday and Friday for this week only. We will evaluate whether the canteen is able to operate under these restrictions until the end of the term.

Parent teacher interviews commenced this week by Zoom or phone connection. The interviews will be held this week and next. Spaces are still available for parents to book through COMPASS. Please read all the information in COMPASS which explains where and how to book. Semester one reports will be emailed home to parents in Week 10.

The school contacted the Northern beaches Council about the congestion at afternoon pick up, seeking an extension of the Kiss and Ride Zone. We received the following reply:

"For those schools that have contacted us about our offer for additional temporary Kiss and Drop areas, we can no longer implement a temporary solution because of the rapidly changing status of Covid-19 requirements."

The council did offer the following suggestions:

"School drop off and pick up times are the riskiest times for safety around schools and when our children are most vulnerable. The introduction of school zones in 2001 decreased pedestrian casualties (aged 5-16) in school zones during school zone times by 46%. This is a great result, but children are still at risk around schools. School zones increase visibility of students coming and going from our schools and slow the speed of cars, but have not reduced congestion which can lead to frustration and risky behaviour by drivers and pedestrians.

Watch our [school safe parking video\(Opens in a new window\)](#) highlighting the benefits of parking your car a street or two away and walking the difference. Watch the [audio described version\(Opens in a new window\)](#) here.”

School Zones

They keep our children safe

School zones operate between 8 - 9.30am and 2.30 - 4pm on school days. The speed limit is 40km in all school zones.

We aim to improve road safety in school zone areas to protect children on their way to and from school. It's important to understand the road conditions and signage in school zone areas. Please assist us by keeping our roads safe and educating your children to be safe around traffic. Child safety is paramount and we make no apology for issuing infringements to drivers illegally parked in school zones. We are continuously conducting patrols during school terms to ensure child safety around our schools.

No Parking

No Parking zones can be used to **drop off** and **pick up** children.

- Drivers may stop to drop off or pick up passengers or goods for a maximum of 2 minutes.
- The driver **must** remain in or **within 3 metres** of the car
- Do not leave the vehicle unattended

Penalty \$191 and two demerit points

Bus Zone

Stopping is not permitted at any time.

- Drivers are not permitted to stop in a bus zone at any time. Unless, the sign shows times of operation, then the restriction only applies during those times.

Penalty \$344 and two demerit points

No Stopping

Stopping is not permitted at any time.

- Dropping off or picking up passengers is not permitted in these areas.
- A continuous yellow line on the edge of the road also indicates a No Stopping zone.

Penalty \$191 and two demerit points

Double Parking

Double parking reduces visibility for other motorists and pedestrians.

- Vehicles must not stop next to legally parked vehicles, even for a short time.
- It is illegal to park within three metres of double white centre lines

Penalty \$344 and two demerit points

Driveways

Do not park across or on a driveway or any other vehicle access way.

Penalty \$344 and two demerit points

Please note:

Correct as at 1 July 2019 but are subject to change. Demerit points can increase the cost of your Greenslip.

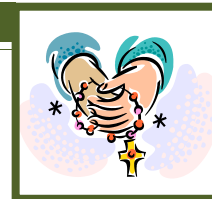

Religious Education

Sacred Heart Feast Day

On Friday 19 June we will be celebrating The Feast Day of the Sacred Heart of Jesus.

We will be celebrating our Special Name Day with a classroom liturgy and some fun activities at school. We will be asking students to wear a “Touch of Red”
More detail will be included in next week’s newsletter.

Wellbeing

Wellbeing and Celebration at Sacred Heart

Part of looking after your Wellbeing is celebrating life's achievements. Last week the staff and students celebrated the Graduation of Mr Tim Huskins and Ms Taylor Helm. Due to the Covid-19 restrictions both Early Career Teachers were unable to attend their formal graduation at the Australian Catholic University. The staff held a party and the children celebrated this achievement at Friday morning's assembly.

Parent Teacher Zoom Meetings

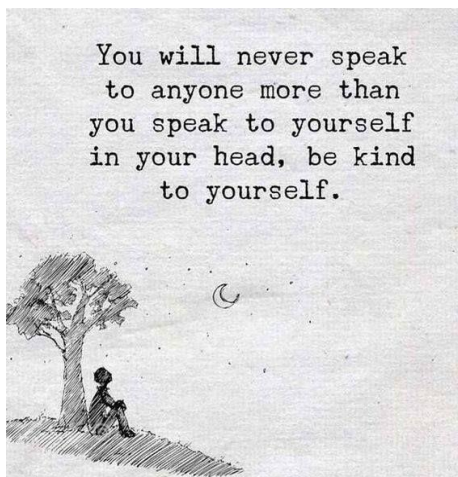

Over the next two weeks Parents and Teachers are holding Zoom meetings. These Zoom meetings provide opportunities for the teachers, parents and children to reflect on the learning journey that has occurred over the Semester. This designated time provides a formal chance to discuss and validate your child's learning as well as the journey they have been on over the past two terms. It is a time to reflect together on your child's achievements and let them know how proud you are of their developing skills and abilities. It's a time when you, your child and their teacher can set some learning goals and challenges that are related to their current mastery of a key learning area. It also provides openings to talk about how your child is travelling with their learning goals during Semester 2.

Compassion is the Core Value for Term 2

What does Compassion look like at Sacred Heart for the last part of the term.

It looks like the below expectations and some ways you could talk to your child to reinforce this Core Value in the home:

Week 7: Reminding yourself you are doing O.K!

When have you demonstrated this positive self-talk to your child or yourself in your family?

Check in with your feelings.

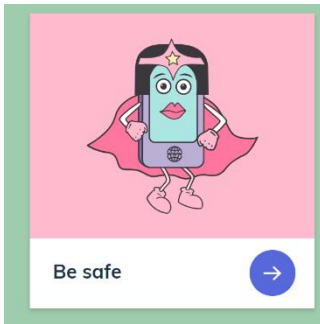

Create opportunities for positive friendships and positive affirmations.

Week 8: Offer to help someone else

Could you ask to help someone else carry a bag, make a part of the dinner. Help with a household job - making your bed.

Week 9: Help a classmate with a difficult task

Week 10: Give a meaningful apology

When you do the wrong thing how do you actually 'Say Sorry!' and mean it through your actions.

Cybersafety and Your Family

If you have noticed your child has become very glued to the ipad, tv or screens over the COVID-19 time, you may want to go over what your families rules and routines are in relation to the use of devices. A great resource to look at with your child is the esafety commissioner site: <https://www.esafety.gov.au/kids/be-an-esafe-kid>

It is an interactive site that can help you navigate with your children how to stay safe whilst using these fun and educational tools.

Bounce for Battens Day:

Thank you to all the students and families that supported the #Bounce4Battens Day. The children loved bouncing and it provided a day of fun and awareness for Battens Disease. Thank you to Mrs Munro for organising our guest speakers!!
