Term 3 Week 10 - 22 September 2020

Term 2 Core Value:

Justice

School Rule:

Show Justice for Self, others and the environment

Expectation of Behaviour:

Clean up after yourself

Dear Parents

What a delightful surprise today when Bishop Randazzo visited Sacred Heart with Father Bronek. The Bishop of Broken Bay had earlier blessed the new buildings at Mater Maria and dropped in as a surprise to visit the children here at Sacred Heart. The Bishop visited Year 6Blue, Year 1Blue and Kindergarten Green in the classroom, as well as stopping to chat with the children in the playground. The Bishop was delighted with the friendly, responsive faces that greeted him today.

Last night the second orientation session for parents of Kindergarten 2021 was held. The parents zoomed in and were able to meet new friends, to share what they are excited about and worried about for their young pre-schoolers who are commencing in 2021. They were invited to collect Leap into Learning playgroup bags from the school office as well as a wallet of forms and information about commencing school. We hope to be able to welcome our Kinder class for 2021 in person in Term 4.

As the term comes to an end I would like to thank all of our parents for their wonderful support of our school through these continuing challenging times. Parents have respectfully followed all protocols we have put in place due to Covid-19.

There will be some staffing changes for Term Four. Mrs De will be returning to Year 2 and we appreciate and thank Mrs Neasmith for the work she has done with Year 2Green throughout Term 2 and Term 3. Mrs Munro has relinquished her PE teacher position at our school to take on a new position out of schools. We thank Mrs Munro for her tremendous effort with encouraging sport at Sacred Heart and wish her all the best in her new adventure. Mrs Munro will continue her part-time work in Year 3Blue. We are currently in the process of recruitment for a two day PE teacher. We would also like to thank Miss Grace Harrison who has been working as our school hygienist. We will be employing another school hygienist to continue this important job in Term 4.

Wishing everyone in our community a safe and healthy holiday.

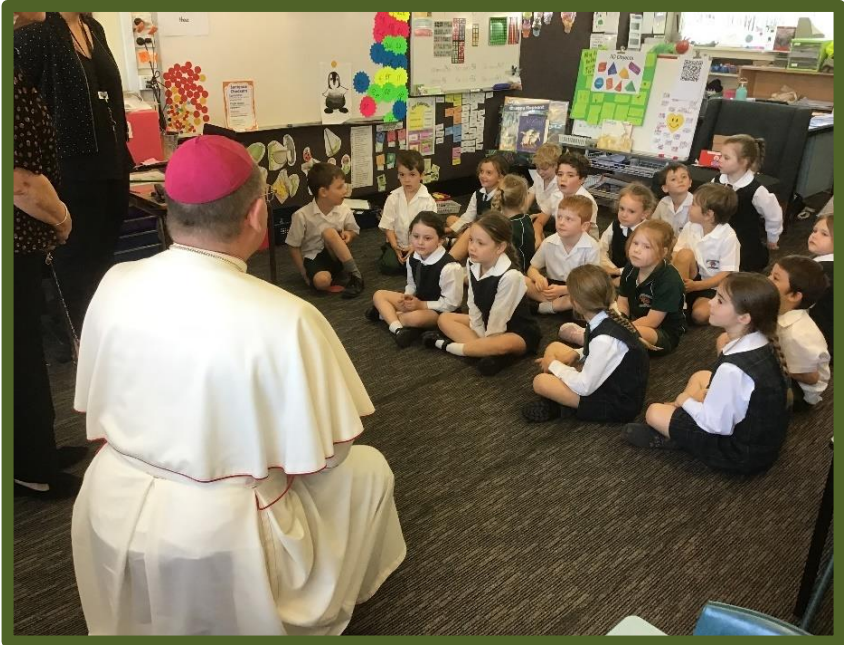

Yours Sincerely

Mrs Suellen Garey

Wellbeing @ Sacred Heart

Last week the Wellbeing Team met to discuss and review our Wellbeing Initiatives. The Wellbeing Team is made up of staff, parents and a PBL Coach from St Mary's Manly. The Wellbeing Team meets twice a term to celebrate, review and look at the PBL (Positive Behaviours for Learning) data.

During the meeting it was discussed all the positive activities and learning our children and families have had since our last meeting in Week 4. Some experiences that were mentioned were:

- The beautiful Father's Day Video
- The Hub's Father's Day -Family gift of tomato and basil plants
- Wellbeing Week with the daily meditation
- The Sacred Heart Public Speaking Competition and Northern Beaches Public Speaking Showcase
- Science Week and the Year 6 Science Experiments
- The NRMA Science and Road Safety engagement and lessons
- Fruit and Vegetable Month
- Ice Block Day
- Mrs Garey's Curious Questions and Corny Jokes
- The Zoom Meetings with the Principal and Kindergarten Zoom
- The Poetry Competition

The Wellbeing Team also reviewed the *Positive Behaviours for Learning* data and it was evident that the staggered Recess and Lunches is providing more opportunities for children to have positive experiences on the playground and build positive relationships. The data also reflected that children need to be given time through a reminder about when to return to the classes or make time for the bathrooms. These meetings reaffirm the importance of the foundation of *PBL* which is to *Remind, Re-Teach, Re-direct* when teaching children to have *positive behaviours*. At Sacred Heart we **teach expected behaviours explicitly** - replacement behaviours are explicitly taught. We provide **time to practise expected behaviours** and we **encourage** our students to **apply** these behaviours in different settings. We then **acknowledge** when attempts are being made to meet the expected behaviours.

SRC & Eco Leaders - Fruit and Vegetable Month

The SRC and Eco Leaders have been encouraging all students in our school to eat more Fruit and Vegetables. Thank you to all the parents who supported this initiative, it was great to see so many pieces of fruit and vegetables being eaten in Waste Free Lunchboxes and with children having bee wax paper.

Sun Safety

As the warmer days are here. It is always a great time to check your child has their name in their hat. At Sacred Heart teachers remind the children to wear their hats at Recess, Lunch and whilst outside. Children who have misplaced their hats can look for them in the Orange Lost Property Box. It is always a quick turn around when the child's name is clearly marked.

Social and Emotional Learning

The holidays are approaching next week. It is a time to rest, recoup and have some down time.

What can you do to promote Social and Emotional Learning at home?

- Provide opportunities for play with others- or get bored so the imagination starts working
- Encourage discussion of feelings-have a day of labelling your families feelings
- Support children's confidence- talk about self talk- really listen to each other

- *Lead by example- Be a good role Model!*
- *Give children choices- respect difference*
- *Encourage creative problem solving- building cubby houses, digging a hole, design a menu- make the dinner for you or a dessert*
- *Teach children to use assertive communication skills*

When planning for the return to Term 4 there are three key questions that you can ask to prepare them for their final term of learning in their current class. This will give you as a parent an insight to how your child is feeling and an opportunity to support them further in their educational journey:

- *What are you looking forward too?*
- *What do you want to know more about?*
- *What are two or more worries? (Partnership- Australian Student Wellbeing)*

BOOK WEEK

CHILDREN'S BOOK WEEK CELEBRATIONS at SACRED HEART

WEEK 2, TERM 4
19-23 October, 2020

The theme this year is *Curious Creatures Wild Minds*

CHILDREN'S BOOK WEEK POSTER COMPETITION

Children may choose to submit a poster to promote the theme "*Curious Creatures Wild Minds*"
Be creative; try to come up with something different and eye-catching.

*Drop posters into the Library by
Tuesday 20 October, Week 2.*

All posters must be marked with a name and class.

CHILDREN'S BOOK WEEK PARADE

Friday 23 October

The whole school will take part in a Book Character Parade.

The children can come to school dressed as a **BOOK CHARACTER** or as something related to "*Curious Creatures Wild Minds*"

Be creative, think 'outside the square', and surprise everyone!

The school holidays are the perfect time to do this.

Children can come to school dressed in their outfits on the day.

Bring a change of clothes if necessary.

Unfortunately, due to Covid-19, parents will be unable to attend.
Not to worry! We will be recording the week's fun and sharing it with you online

The Hub

A big thank you to Mrs Nicole K and Mrs Jackie B who gave a lot of their time this week to sort and tidy our Second Hand Uniform Shop. We have had lots of winter and some summer second hand uniform donations which are now neatly sorted.

However, we are low on second hand summer uniform stock, so if you have any items in good condition that you wish to donate, we would be grateful. (Please note we can no longer take white sports shirts as donations.)

As our Second Hand Uniform Shop currently is not open, please email the office (shmv@dbb.catholic.edu.au) with size and type and we will try to fill your requirements if available. Collection is by arrangement only.

All items \$3 and paid via Qkr! (no cash). The admin office will be contacting those who have outstanding payments.
