Dear Parents

Congratulations to Presley F and Addison D who represented Sacred Heart at the Peninsula Public Speaking finals this morning. The event was hosted by Sacred Heart and zoomed to five other Catholic schools along the beaches. This year, placings were not given however Addison and Presley were a credit to our school and their families.

Coffee and conversation with the Principal will again be held next Monday 7 September. This session is for parents of students in Year 4, Year 5 and Year 6. In these chats Mrs Garey explains the Covid Action Plan for the school as well as answering any questions parents may have generally about what is happening at Sacred Heart. Parents should have received an invitation to the zoom session via email. Please send topics to be discussed to the office by Friday.

Thank you to Mrs. Munro who has organized NRL coaching and tennis coaching for the students at Sacred Heart over the last two weeks. The sun has been shining and the children have definitely enjoyed these special, fun coaching sessions on the oval.

Staff News - Welcome to Candice Barnes who has joined our Diverse Learning Team at Sacred Heart.

A very happy Father's Day to all of the special fathers, grandfathers and father figures in our extended Sacred Heart Community. We hope you have a lovely day this Sunday.

Yours Sincerely

Mrs Suellen Garey

Wellbeing @ Sacred Heart

Last week was Wellbeing Week at Sacred Heart. Children took part in a variety of activities such as mindfulness meditation after reading and learning about having a Growth Mindset. The children across different classes learnt about how sometimes you have to take risks, give it a go and be resilient.

SRC & Eco Leaders - Fruit and Vegetable Month

Did you know that eating a diet high in plant foods such as fruit and vegetables is good for us – and good for the planet?

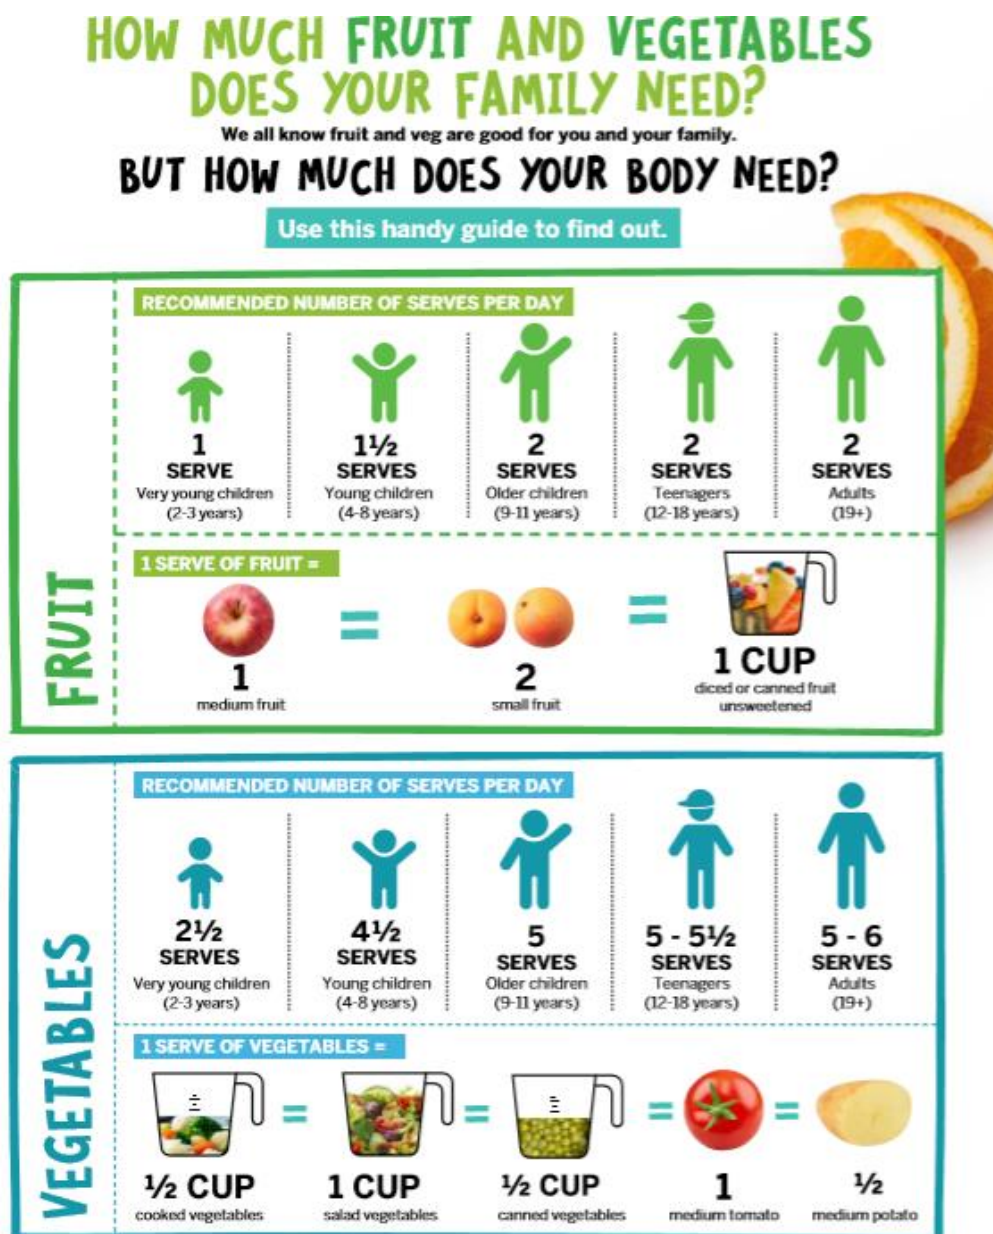

The SRC and Eco Leaders started Fruit and Veg Month on Wednesday 2 September coinciding with our Waste Free Wednesday.

Each class received a bunch of stickers, a poster with the slogan 'Help the Planet'

- Don't waste fruit and vegetables
- Choose local and in season fruit and vegetables
- Eat more fruit and vegetables.

In order to support this initiative each class is recording how many vegetables and fruit are eaten each day. Did you know that only 5-6% of Australian adults and children are actually eating the recommended serves of fruit and vegetables each day. This year's Fruit & Veg Month is all about looking at fruit and vegetables through the lens of sustainability.

Canteen News

As there are no volunteer helpers allowed at the moment and time is very restrictive, may I ask that when placing on-line lunch orders to make sure you press 'check out' and confirm that your order has been processed. This will help limit the amount of kids at the window with no lunch! Also, if your child does have a large lunch order, please add an extra bag.

The Hub

After much consideration, the HUB have decided that the Father's Day complimentary gifts will now be a Spring gift for families. With Covid 19 meaning we missed Mother's Day this year, we thought rather than a gift specific to Father's Day we would make it a gift for families to enjoy together. The Spring gifts will be coming home this week with the children.

Uniform Shop Opening Hours

Our Second Hand Uniform Shop currently is not open.

However, should you require items from the uniform shop, please email the school office (shmv@dbb.catholic.edu.au) with size and type. The office staff will arrange a selection (if available) for you to look at via the office. Collection is by arrangement only.

All items \$3 and paid via Qkr! (no cash). The admin office will be contacting those who have outstanding payments.

Donations always welcome of any uniform items in good condition. Please note we can no longer take white sports shirts as donations.
