### Term 1 Week 2 - 4 February 2021

<b>Term 1 Core Value:</b>	Respect
<b>School Rule:</b>	Respect our self, others and the environment
<b>Expectation of Behaviour:</b>	Wear our uniform with pride

Dear Parents

Welcome and congratulations to all the kindergartens, their families and the new children in other classes who joined our learning community this week. There were many, many smiles as mums and dads dropped off confident happy children to their classroom doors.

This year Catholic Education is celebrating 200 years in Australia, marking the bicentenary of the first Catholic school established in Parramatta in October 1820. The first Catholic school in Australia was founded in October 1820 by Irish Catholic priest Fr John Therry and run by convict and lay person George Marley. The school, which Catholic historians believe was in Hunter Street, Parramatta, taught 31 students. By 1833, there were 10 Catholic schools in the colony. Over 200 years, Catholic schools have grown to become the largest provider of schooling in Australia (outside government) with one in five school age students attending a Catholic school. Our school and diocese will be marking this important milestone this year.

Regulations from NSW Health and CSNSW continue to change. Currently we are delighted we can resume some contact with our parents. It appears we will still need to be making adjustments to planned school events.

- *The class parent also has an important role in supporting the work of Hub Team*

All classes received a candle and poster for their classroom to remind us of our parish focus this year.

### Sacred Heart Year 6 Leadership Pledge

We the Year 6 Student Leaders of Sacred Heart Catholic School make the following pledge to our school community:

- Continue our journey as disciples through prayer, Eucharist and liturgy

## From the Assistant Principal

### Communication with staff

Communication - There are a number of ways to access school information for parents and our school wants to ensure effective communication between parents and the school.

- School website and APP
- Twitter and Facebook
- Email
- Weekly Newsletter
- SMS
- Phone

Email is our preferred channel of communication. Staff members may be contacted by email however it is essential that parents understand that due to the nature of their work parents should not expect an immediate response. **A response will be made within 48 hours.**

Please do not email through to your class teacher change of going home plans or any matter that needs immediate attention regarding your child, these matters need to be communicated to the office by telephone. The school administration is open from 8.30am-3.30pm during term time.

For urgent matters phone or visit the school office. **Please note it is very difficult to ensure that students receive last minute change of home arrangements if phoned through after 2pm.**

Teachers are interested in communicating with parents to discuss their child's progress or behaviour. Appointments are necessary so that teachers can give the necessary time to parents for discussion. Appointments

can be made directly with teachers via email. Appointments with the Principal or Assistant Principal can be arranged via telephone with the school office.

## Volunteers

At Sacred Heart we appreciate and value the partnership we have with our parents and caregivers. For the safety of our students, all Parent volunteers require a current Working with Children Declaration and will not be able to volunteer at school without one. This will include canteen, excursions, library, sport days, incursions and helping in classrooms. If you do not have a declaration on file, please see the school office or you can download a Parent Volunteer Declaration Form from our school website [here](#). Thank you for your invaluable support throughout the year.

## Curriculum News

### Maths Online

Maths Online is an online learning resource, which is aligned to curriculum standards. Students in Year 2-6 sign in with their school username and password using any compatible computer or mobile device. [www.mathsonline.com.au](http://www.mathsonline.com.au)

Learning tasks will be assigned by the teachers for homework on a weekly basis for students in Year 2-6 and will be differentiated according to ability levels.

## From the Office

**Late Arrivals or Early Absences** are to be entered only via the kiosk at the front office.

Students must be accompanied by a parent/carer for late arrivals or early departures. This is not only a compliance obligation, but an important safety measure in the event of a school emergency and allows us to know whether your child is on the school grounds.

### 10+ days leave or scheduled absences in advance

10+ days leave or scheduled absences (in advance) – please complete the Application for Extended Leave (Form A1), include a valid itinerary and hand into the office. The form can be located in the [Admin Notes and Apps](#) page of our school website.

### Security:

Please use the breezeway entrances to enter and exit the school (not via the admin office foyer door). If the door is locked, we can “buzz” you through.

Access to the school grounds is not permitted via the staff carpark driveway for safety reasons - please use the kiss and drop gate or the main entrance gate near the school crossing, thank you.

After School: When collecting your child from after school care, please ensure the breezeway doors are closed.

**QKR!** – Just a reminder to update your child’s new class details to ensure payments are correct – especially for canteen orders.

**Carol Bartlett, Senior Admin Officer**

## WHS

Now that we are back to school and the season is warm and humid, it may be timely to check your child for head lice as there have been a couple of reports of head lice to the school. A preventative shampoo after checking would be useful.

It is important that each child is checked in order to eradicate the lice, and to ensure that children don’t become reinfected. You may want to check all family members.

For information on how to treat head lice you should refer to the NSW Health Website for the most up to date treatment. This can be found at:

<http://www.health.nsw.gov.au/environment/headlice/Pages/default.aspx>

**Karen Calleia, WHS officer**

## Wellbeing

*Welcome back to our existing and new families!!! We hope to have a wonderful year of learning and creating opportunities for living, loving and learning together.*

At Sacred Heart we strongly believe in supporting our communities Wellbeing. We have a number of initiatives to help all community members feel that they have a sense of belonging and place. These programs are in place to ensure that each child is physically safe, cared for and nurtured.

The main programs and frameworks in place at Sacred Heart are as follows:

Our **Core Values** system based on the Good Samaritan values of Respect, Compassion, Justice and Service. This term our Core Value Focus is *Respect*. Each week we have a focus and this week’s focus is ‘*Wear our uniform with pride*’.

Our **Tier 1, 2 and 3 Behaviour Management** system based on the Positive Behaviour for Learning framework, which is a whole school approach to behaviour management, and

The **BEYOU** framework, formerly known as KidsMatter, is a mental health and wellbeing initiative for primary schools. The focus of this framework is to create a positive school community. This Framework supports and develops:

- teaching children skills for good social and emotional development (SEL).
- Working together with families
- recognising and getting help for children with mental health problems.

Some ways we implement our programs and frameworks is by having a Wellbeing Team made up of staff and parents. Having learning experiences that cater for all students’ Social and Emotional Learning. This includes specific lessons that have an SEL (Social and Emotional Learning) focus in PDH programs cross the school. We also set time each term to celebrate **Wellbeing Week**. *This term it will be in Week 7, 8 - 12 March 2021.*

One example of Social and Emotional Learning in context is our Buddy System. This is evident early in 2021 with the Buddy System that occurs for our Kindergarten children and our new families. The Buddy System is to help our Kindergarten children to settle into school and learn about life at ‘Big School’ with an experienced older child. Our Year 6 students look forward to this responsibility and leadership role. The Buddy System programme creates positive experiences for both Year 6 and Kindergartens.

### Student Voice

Sacred Heart actively engages our student’s in hearing their voices. This week the Year 6 student leaders have been meeting with different teachers to have their say in the daily running of the school. Our Year 6 Leaders have roles that help with the Library, Technology, Eco Leaders, SRC, Sport Leaders, Liturgy Captains and student

leadership- School and Vice Captains. Classes from Kindergarten to Year 5 also elect a class representative to be an Environmental Leader and SRC class representative.

**CyberSafety**

Next week on Tuesday 9 February it is Safer Internet Day 2021. Classes across K-6 will take part in different activities to promote safe internet usage.

Our school swimming carnival will be held on Friday 19 February (week 4) at the Manly Andrew “Boy” Charlton Aquatic Centre.

A reminder to logon to the **COMPASS** dashboard to complete your child/rens permission form and to indicate the races they wish to swim in. The emphasis of this carnival is about fun, participation and Sacred Heart Spirit. For this reason we have catered for all abilities. We encourage all students from Years 2 – 6 to participate in at least one race.

Unfortunately we are unable to have spectators attend this year’s carnival, however there are limited volunteer positions. If you wish to volunteer, please complete the section on the form and you will be advised if you have been allocated a task. Regrettably, we will not be able to cater for all those who have nominated to volunteer.

Kinder and Year 1 will enjoy a lovely fun filled “watersport” day at school on the day of the carnival. More information will follow closer to the time for these two year groups.
