Dear Parents

Welcome back - well nearly. Finally we are moving closer to a full return to school and some normality! At Sacred Heart we are preparing for the return of students to meet their academic and emotional needs after such a long period of home based learning. Resources are being deployed to address any learning issues or social emotional issues. The academic focus of this preparation we have called **Learning Plus**. One such resource is the employment of casual teachers to release class teachers so that they can analyse, plan, act and review each student in a continuous improvement cycle. Teachers will be checking in with each student, reviewing their work completed over the last term at home, analysing where they are at, planning from their point of need and enabling the teaching for the student to continue.

Teachers will also be preparing lessons on resilience and wellbeing, focussing on making and keeping friends as well as debriefing and discussing how students have managed through the HBL period and the pandemic.

### School Prayer Focus Term 4

**Did you know that each term at Sacred Heart the children are led in a Prayer for the Term?**

During Term 4 the prayer at Assembly is the School Prayer. The children will be saying this prayer when they return during the morning assembly.

### *Our School Prayer*

Heavenly Father,  
I give to you today,  
All that I think, and do, and say,  
Fill us O' Lord with your love and goodness,  
And help us to be friends.  
Holy Spirit, you live in me,  
Show me what to do,  
And give me the strength to do it.  
Sacred Heart of Jesus,  
Have mercy on us.  
Amen.
