Dear Parents

It was wonderful to welcome back all the children from Years 2 to 6 on Monday. The big smiles said it all. Children were greeted by teachers at the front door, they entered through streamers, chalked their name on the playground, placed hearts on their classroom doors and danced to the music before enjoying an ice block at lunchtime.

A huge congratulations to all of our parents who have homeschooled the children for such a long period of time. You have done a brilliant job and I hope you are now taking a break and enjoying a little bit of downtime before you resume your usual weekday.

The big news this week is that we have Co-Presidents for our Hub team for 2022. I am delighted to announce that Kath McCamey and Amber Lytham have generously volunteered to lead the Hub. Jo Reid continues in her role as treasurer and Alana Morgan takes on the role of CSP representative, thank you so much ladies for again donating your time.

We are now calling for class parents for each class to support Amber and Kath. Please forward your expression of interest in the position to Amber or Kath via the office.

With the lifting of restrictions we are so excited that we are able to hold a dinner at the Long Reef Golf Club on Saturday 6 November. Tickets are limited and we really are looking forward to coming together again as a community without too much fuss, without the auctions, without the raffles, without the art works but just to celebrate the year that was and to enjoy each other's company. Tickets are going fast on Qkr!.

The big event this term for students will be the dressing up as superheroes on the 5 November with \$5 for Vinnies. We want to celebrate our children and all the support workers who really have been super heroes throughout the last two years. So come dressed as a superhero, Wonder Woman, Batman, doctors or nurses on Friday, 5 November and bring your five dollars to be given to St Vincent de Paul for those in need.

Finally, today we welcomed the Kindergarten for 2022 into the school grounds. They stepped up to school confidently and enjoyed their morning in the classroom meeting the teachers and each other for the very first time. Their next session on 9 November will be an opportunity for them to meet their buddy for next year.

## Religious Education

### Super Hero Five for Vinnies on the 5 November

On **Friday 5 November** at Sacred Heart we will be having **Super Hero Five for Vinnies**.

In the past the Sacred Heart school community have generously donated hamper items for the St Vincent de Paul Christmas Appeal. This year due to COVID-19 we are going to raise money for gift cards for Vinnies. This means that each child can come dressed on 5 November as a Super Hero and donate \$5 to Vinnies.

The theme of Super Hero's comes from the idea that the children have been Super Hero's whilst learning from home. *We ask that you generously support St Vinnies as we come into the season of Advent and Christmas.*

### All Souls Day and All Saints Day-

This Friday the children will celebrate All Saints Day. They will be having a liturgy in their classes with a reflection on the Beatitudes.

### Masses Resume

The children at Sacred Heart will be attending the Wednesday morning mass from next week.

**Wellbeing**

As part of our Social and Emotional Learning Programs this week all classes took the time to reflect on their individual experiences of home-based learning. Many classes also reflected on personal achievements over this period. Here are some examples of our “Proud Peacocks” – where students filled their peacocks with acknowledgements of their personal growth over the past few months.

Our Sacred Heart parent community also deserves to feel so proud of all they have done to support their children throughout home-based learning. You did it! Take some time to reflect on all that you have achieved and overcome throughout this period.

***CONGRATULATIONS!***

This award is hereby presented to

### World Teachers Day

Australia will celebrate and thank the teaching profession on World Teachers' Day this Friday 29 October 2021.

Teachers (with support from parents and carers) have ensured education continues across the country this year, despite major challenges. It's reinforced the significant role teachers play in the lives of children and students, their families, and communities.

On Friday 29 October, you can say a big thank you to teachers by posting a photo in your sunglasses on Twitter, Instagram or Facebook and use the tags: #BrightFuture #SHMV @aitsl

Click on the link below to find out some other ways you can get involved and say thank you, like making a card or writing a note...
