FRIENDOLOGY

This term we will introduce Friendology – UR Strong into our classroom. The UR Strong program will provide the students with kid-friendly concepts that help kids establish + maintain healthy relationships, manage conflict with kindness, and increase their overall resilience. More information about the program will be shared with you throughout the term.

TERM 3 CURRICULUM NOTE

RELIGIOUS EDUCATION

The topic for Religious Education this term is outreach. Students will question who are those marginalised in our local community and how we can reach out to them.

ENGLISH

Students have begun preparing their Public Speaking Speeches which they will present in the coming weeks. Children will write persuasive, informative and literary texts. They will be independently reading and viewing an extensive range of complex texts and visual images using a comprehensive range of skills and strategies.

MATHEMATICS

The following topics will be explored this term:

- Volume and Capacity
- Data
- Multiplication and Division
- Area
- Fractions, Decimals and Percentages
- Mass
- Time
- Chance

HSIE – GEOGRAPHY

The topic for Geography this term is A Diverse and Connected World. Students will explore how do places, people and cultures differ across the world, Australia's global connections and how people's connections to place affect their perception of them.

SCIENCE AND TECHNOLOGY

In Science and Technology, students will be exploring the material world. Students will question why the characteristics of materials are important when designing and producing.

GENIUS HOUR

Students will undertake a Genius Hour research project. They will be following the Design Thinking Process

PDHPE

The topic for PDH this term is Risky Business. Students will explore how to keep themselves and others safe in a variety of situations.

VISUAL ARTS

Students will look at a variety of artworks by refugee artists and explore how people use art to tell a story and how symbolism can be used to represent strong emotion.
